CONSTITUTION AND BYLAWS

Constitution

Preamble

To preserve and make secure the fundamental principles of our faith, to protect our doctrinal integrity and denominational unity, to ensure that the Convention conducts its business in an orderly and democratic manner under the Lordship of Christ and to set forth the relationship of the Convention with other bodies, we do hereby establish this Constitution and Bylaws.

We do moreover declare that whereas the Bible is the only foundational document for the defining rules of faith and practice that should be inherent in a Bible-based organization, the Constitution and Bylaws exist merely as a written document that provides a foundation and a framework for the application of these rules to the administration of this body. If in any point they are found to be inconsistent with or contrary to the Word of God, they are, in that point, null and void.

Article I. Name

This body shall be known as Southern Baptists of Texas Convention, (the Convention).

Article II. Mission Statement

The Convention exists to facilitate, extend, and enlarge the Great Commission ministries of the Southern Baptist Convention and the Southern Baptist churches and associations in Texas, upon the authority of God's inerrant Word, to the glory of God the Father, under the Lordship of Jesus Christ, and by the empowerment of the Holy Spirit.

Article III. Doctrinal Statement

The Baptist Faith and Message, adopted in 2000 by the Southern Baptist Convention, shall be the doctrinal statement for the Convention.

Article IV. Affiliation

Section 1 Affiliation Qualifications

The Convention will only allow a church to affiliate if the church: (a) Affirms the doctrinal statement of the Convention, (b) consents to work within the framework of the Constitution and Bylaws, (c) cooperates with the work of the Convention, (d) affirms the office of pastor to be limited to men, (e) does not act to affirm, approve, or endorse the practice of homosexuality, as evidenced by actions including but not limited to the licensure or ordination of homosexuals, marriage or blessing of homosexual relationships, and endorsing homosexuality as acceptable lifestyle, and (f) does not engage in or encourage any other practice or conduct deemed to be inconsistent or contrary to the doctrinal statement of the Convention.

Section 2 Method of Churches Becoming Affiliated

- A. Any Baptist church in Texas desiring affiliation with the Convention shall complete an affiliation application affirming that it meets and intends to continue to meet the Affiliation Qualifications, and shall make an initial contribution to the Cooperative Program through the Convention. The application form and contribution must be received at the Convention office at least ninety (90) days prior to the annual meeting in order to have the messengers seated that year.
- B. All churches having submitted an affiliation form shall be examined by the Credentials Committee as to their qualifications. The Credentials Committee may recommend affiliation status to the Executive Board or the annual session of the Convention. All churches receiving an affirmative majority vote shall be welcomed to affiliation.

Section 3 Representation at Meetings of this Body

- A. Each affiliated church shall be entitled to ten messengers to any meeting of the Convention.
- B. Messengers shall only vote in person.
- C. A messenger's status as a messenger and as a member of the Convention corporation shall exist only during the session of any meeting of the Convention to which the messenger has been appointed by the messenger's church and is seated by the Convention.

Section 4 Termination of Affiliation

Any affiliated church may withdraw from this body at its discretion. An affiliated church may be removed from the Convention by majority vote of the Executive Board or of the messengers at an annual session of the Convention after the following process is completed: (a) The church has received written notice of the matter prompting the Executive Board's consideration of removal and (b) The Credentials Committee has attempted to resolve the matter by meeting with the pastor and/or leaders of the church.

Article V. Relationships

Section 1 General Relationships

The Convention declares that it fraternally cooperates with and supports the work of the Southern Baptist Convention and its entities. As a demonstration of this cooperation, the Convention promotes giving through the Cooperative Program and serves as a conduit for the distribution of Cooperative Program funds given by cooperating churches.

Section 2 Individual Relationships

The Convention welcomes individuals who are members of non-affiliated churches to attend any of its general meetings. Such individuals may attend, but not vote, and may speak to business matters only at the discretion of the presiding officer.

Section 3 Institutions and Ministries

The Convention may recognize a Baptist institution or ministry as a related ministry or may enter into a relationship with a Baptist institution or

ministry through an affiliation agreement. The Convention Executive Board shall set the terms of any agreement. The Executive Board may grant non-voting, ex-officio representation on the Convention Executive Board to affiliated institutions.

Article VI. Meetings

The Convention shall meet at least annually at a time and place designated by the messengers. No other notice of the annual meeting shall be required. A special meeting may be called by two-thirds vote of the Executive Board. Notice of a special meeting and its purpose or purposes shall be published by the Executive Board in the official publication of the Convention at least thirty (30) days prior to the meeting.

Article VII. Eligibility for Service

Only one who is a member of a church affiliated with the Convention shall be eligible to serve as an officer or ministry employee, or on the Executive Board or a committee, or in any other capacity called for or permitted by the Constitution or Bylaws.

Article VIII. Officers, Executive Director and Other Employees

Section 1 Officers

- A. The elected officers of this Convention shall be a President, a Vice-President and a Secretary.
- B. The officers shall be elected annually by the messengers of the Convention and shall hold their respective offices until the end of the annual session at which their successors are elected. If no nominee for an office receives a majority of the votes of the messengers present a run-off election shall be held between those two nominees receiving the greatest number of votes.
- C. No person may serve in the same elected office of the Convention for more than two (2) consecutive years.
- D. In the event of the resignation, removal, death or a disability that would hinder the President from fulfilling the responsibilities of the office, the Vice-President shall automatically become President.
- E. In the event the Vice-President becomes the President, as provided above, or in the event of the resignation, removal, death, or disability of the Vice-President or Secretary, the Executive Board may elect a person to fill the office temporarily or until the expiration of the unexpired term.

Section 2 Executive Director and Other Employees

- A. The Executive Director shall be the chief executive of the Convention.
- B. The Executive Director shall be selected and employed by the Executive Board and receive remuneration as determined by the Executive Board.
- C. The Executive Director shall supervise and administer all of the affairs of the Convention and all of its activities and shall represent and carry out the policies of the Convention and its Executive Board.
- D. The Executive Board shall have the authority to elect or employ other ministry personnel as deemed necessary by the body.

Article IX. Boards, Trustees, and Committees

Section 1 Authority

The messengers shall have the authority (a) to authorize the creation of legal entities to fulfill the Convention's purposes, (b) to create committees and (c) to establish relationships or authorize the Executive Board to establish relationships with other Baptist institutions or ministries, and other Baptist general bodies.

Section 2 Convention Election

Any person the Convention is entitled to elect to manage and direct the affairs of another entity, to carry out relationships, or to be a member of any committee other than the committees or subcommittees of the Executive Board, shall be elected by the messengers, unless otherwise provided in the Constitution and Bylaws, or by specific direction of the messengers.

Section 3 Simultaneous and Repetitive Service

- A. No person shall serve simultaneously on the Executive Board, the Committee on Committees, Committee on Nominations, a Standing Committee, a Procedural Committee, an affiliated entity board or a subsidiary board unless otherwise provided in the Constitution and Bylaws. Election to a Convention office shall not cause the Convention officer to forfeit his or her position on any of the above.
- B. No person who has served two terms on the Executive Board shall be eligible to serve another term until an interval equal to one-half (1/2) the number of consecutive years served has elapsed. A member who has served a portion of a term shall be considered to have served a full term. No person who has previously served on any committee shall be eligible to serve on the Executive Board, the Committee on Nominations, a Standing Committee or a Procedural Committee until an interval equal to one-half (1/2) the number of consecutive years served on the previous body has elapsed.

Section 4 Conflict of Interest

No salaried employee of this Convention shall be eligible for service as a member of the Executive Board or any committee of the Convention except as may be provided in the Constitution and Bylaws. No person shall be eligible to serve to manage and direct the affairs of another entity, to carry out relationships, or to be a member of any committee if that service would create a conflict of interest. When such conditions become applicable, that person shall be considered as having resigned and the vacancy may be filled in accordance with established Convention procedure.

Article X. Parliamentary Authority

The parliamentary authority of the Convention shall be Robert's Rules of Order (latest revised edition).

Article XI. Amendments

Amendments require a two-thirds (2/3) vote of the messengers present at two consecutive annual meetings. Any proposed amendments must be either submitted in writing to the Convention one year before being

voted on, or recommended by the Executive Board and published in the official publication of the Convention ninety (90) days prior to the annual Convention session.

Article XII. Quorum and Voting

The quorum for conducting business during the annual or any special meetings of the Convention shall be twenty-five percent (25%) of the registered messengers. The vote of the majority of the registered messengers present shall be the act of the Convention unless the vote of a greater number is required by law, the Certificate of Formation, or the Constitution or Bylaws.

- B. The Executive Board may hold meetings by using conference telephone or similar communications equipment which permits each person participating in the meeting to communicate with all participants.

Section 4 Quorum and Voting

A number equal to one-half (1/2) of the voting members of the Executive Board shall be considered a quorum for the transaction of business. The act of a majority of the voting directors present in person shall be the act of the Executive Board unless the Business Organization Code, the Constitution or Bylaws requires the act of a greater number.

Section 5 Duties

- A. The Executive Board shall be the fiduciary, fiscal and executive agency of the Convention.

- D. The Executive Board shall have the authority to enter into, modify, and terminate affiliation agreements with third parties which advance the purposes of the Convention, not inconsistent with the directions of the messengers.
- E. The Executive Board shall recommend the annual budget to the annual session of the Convention. Any exercise by the Executive Board of this authority shall be reported to the next annual session of the Convention.

BUSINESS & FINANCIAL PLAN

Organization

The Southern Baptists of Texas Convention (the "Convention") is a Texas non-profit Corporation operating as a religious organization. The Convention serves as an autonomous state convention cooperating with the Southern Baptist Convention. The purpose of the Convention is to assist churches in Texas in effectively proclaiming the gospel of Jesus Christ, starting new churches, and ministering to all people. Support for the Convention is primarily through voluntary contributions from affiliated churches and individual donations.

Preliminary Provisions

Each ministry area of the Convention shall submit to the Executive Director and Chief Financial Officer an itemized estimate of expenditures for the next fiscal year upon request from the Executive Director or Chief Financial Officer. With the Executive Director's approval, the Chief Financial Officer will assemble these figures into a proposed budget and present this budget to the Administrative Committee. The Administrative Committee will make any changes necessary and submit the revised proposed budget to the Executive Board for approval.

The Executive Board shall recommend to the Convention a final proposed budget based on an analysis of the aforementioned data.

In-state Cooperative Program budget for the next fiscal year may not exceed 3% above the greater of either: 1) the most recent year end in-state Cooperative Program receipts, or 2) the forecasted annualized in-state Cooperative Program receipts for the current year based on a minimum of 4 months history.

Fiscal Period

The Convention shall be operated on a calendar year basis.

Disbursement of Monetary Funds

The Executive Director shall be responsible for overseeing the disbursement of all monies in accordance with the provisions of the Convention budget. The Chief Financial Officer shall be responsible, under the direction of the Executive Director, for daily operational disbursement of all monies in accordance with the provisions of the Convention budget. Prior years' earnings may be allocated for expenses by Executive Board consent. Prior years' expenditures must be reported at the Convention's annual meeting.

Disbursement of Cooperative Program and Designated funds will be made after closing of the books each month and in no event shall they be made later than the 15th day of the following month. Giving receipts will be forwarded quarterly within thirty (30) days of the end of each quarter. All undesignated CP funds shall be allocated according to the CP budget percentage through the fiscal year.

Each church is an autonomous body and has the right, as do individuals, to make designated gifts as desired, subject to acceptance by the Convention. The Convention shall administer all accepted designated gifts as trust funds to be held for the purpose for which they were given. All such designated gifts shall be recorded in the Convention books and forwarded forthwith to the designated entity. The Convention shall have the right not to accept any gift including any gift designated to an entity that is not related to the Convention as provided in the Policy for Ministry Relationships.

In the event that Cooperative Program receipts are less than the budget, distribution of funds, other than those operationally mandated shall be on a needs basis at the discretion of the Executive Director.

Members of SBTC Executive Board, Officers, Committee members and other non-SBTC employees who serve on a volunteer basis shall not be compensated for their services. However, when these roles require travel in association with their responsibilities, these individuals may be reimbursed for actual travel expenses as provided in the budget. Under such circumstance the individual is required to submit an itemized account of such expenses, with appropriate receipts, to the Chief Financial Officer.

Special Solicitations

The Convention shall not allocate Cooperative Program funds to any Texas entity which directly solicits SBTC affiliated churches in any fund raising programs without receiving permission from the Executive Board by a two thirds (2/3) majority vote..

Capital Investments and Liabilities

Investments in any company that is publicly recognized as being in the liquor, tobacco, gambling, pornography or abortion industries or any company whose products, services or activities are publicly recognized as being incompatible with the moral and ethical posture of the Convention are prohibited. The Chief Financial Officer, with the approval of the Administrative Committee, shall determine the investment placement of all SBTC funds.

Emergency Reserves

The Convention shall hold reserve funds for contingencies to provide for deficits that may occur either through decreased receipts or due to emergencies. The goal shall be a reserve representing six (6) months operations, based upon the in-state budget.

Financial Reports

The Convention shall close its books and accounts and have them audited by a Certified Public Accountant as of the close of its fiscal year. Copies of the audit report are to be delivered to the Executive Director, CFO and Executive Board. The audit should include, but shall not be limited to, the following:

- 1) Independent Auditors' Report
- 2) Statement of Financial Position
- 3) Statement of Activities
- 4) Statement of Cash Flows
- 5) Notes to the Financial Statements

A Financial Report consisting of the Statement of Financial Position and Statement of Activities for the Convention's prior year shall be included in each Annual and Book of Reports.

Handling of Funds

All persons who handle funds or securities for the Convention shall be adequately bonded. Discretion shall be exercised in the handling of all securities, deeds, notes and other valuable records and legal documents. There must always be express authority from the proper source for such handling.

Personnel

The Executive Director shall recommend for approval by the Executive Board all Full-Time Ministry Staff as is necessary to carry out the SBTC's purpose and mission. All Ministry Staff employees shall be members of SBTC affiliated churches. Full-Time Ministry Staff may be terminated by the Executive Director, with approval of the Executive Committee. Ministry Facilitators, Secretarial and support staff may be hired and dismissed at the Executive Director's discretion.

The salary structure for each Convention employee will be determined by the Administrative Committee. The Administrative Committee shall submit the proposed budget, which will include the salary for each SBTC employee, to the Executive Board. Employees may receive less than the budgeted amount at the discretion of the Executive Director. The budget of each ministry area submitted to the Convention will reflect the total amount of personnel expense for each ministry area. Individual salary information will be made available on a private, in-person and confidential basis to any affiliated church member by request. Otherwise, individual salaries are to be held confidential.

Additional Agencies and Institutions

No new agency or institution shall be authorized by this Convention except after thorough study by the Executive Board and two-thirds (2/3) favorable vote by the Convention messengers. Any agency or institution authorized by the Convention may not enter into any fund-raising programs without two-thirds (2/3) affirmative vote of the Executive Board. No more than 15% of the in-state operational budget may be specified items for institutional support.

Business Procedure

The Convention, as a normal operating policy, shall refrain from entering any business transaction with a trustee or employee or a business enterprise in which a trustee or employee has an interest. An exception to this policy may be made at the discretion of the Executive Committee in any case wherein it appears that a commodity or service is unavailable on a more favorable basis from any other source or is found to be in the best interest of the Convention. Competitive bids should be taken if practicable. In any case being considered for exception, the extent of the employee's interest shall be disclosed to the Executive Committee.

The Convention shall make no loan to a member of the Executive Board.

Professional Services

The Executive Board at its discretion may employ an engineer or architect to study proposed capital projects or maintenance of present capital assets and may employ attorneys, accountants, parliamentarians, and consultants whose expertise is deemed to be required.

Amendments

This Business and Financial Plan may be altered by two-thirds (2/3) vote of the Executive Board.

EXECUTIVE DIRECTOR

Jim Richards, Executive Director

This year has been unique in so many ways. As most of you know I had extensive open heart surgery on May 4th. God was gracious, not only to spare my life, but to give me a strong recovery. It took almost four months to return to near normal levels of stamina. I am well on my way back to full strength.

Being unable to preach for an extended time, I still will have the privilege to preach over 30 times across Texas and beyond this year. I attended a church planters' orientation and their annual retreat. I was able to present several information sessions about the SBTC. Being present at the Harvest Crusade at AT&T Stadium was phenomenal. Seeing thousands come to Christ was unparalleled. The SBTC Empower Conference and Equip Conference were well attended. Attendance numbers and responses encouraged me. You can read about the way God used these two ministries in the departmental reports. Being involved in the day to day operations of the Convention, even on a limited basis, was truly a blessing.

Forge is the SBTC ministry to younger pastors. I am delighted to share with you that scores of twenty and thirty somethings are actively participating. SBTC President Nathan Lino had a vision to personally connect with younger pastors. He created the Texas Next Generation Leadership Network. Participants in a monthly video conference received practical assistance for their ministry. Accomplished individuals from varied fields spoke into the lives of this rising generation. I am thankful for Nathan's passion and his initiatives as president.

My involvement in the Southern Baptist Convention took on various expressions in 2016. The State Executive Directors' Fellowship, the SBC Executive Committee, the SBC Annual Meeting were just some of the places where I had the privilege of representing the SBTC. Currently, I am serving as the Chairman of the Committee on Nominations of the SBC.

On a personal level, I have a deeper sense of God's presence in my life. I am grateful for every day to serve Him. My wife is truly a gift from God. Our children, grandchildren and sons-in-law are all serving the Lord. While I do not see as many people come to Jesus as I would like, I try to be a faithful witness. This summer my wife and I had the privilege of leading a lady to Christ. She was working in a hotel where we were staying. As we engaged her in conversation, we found she spoke limited English. I was able to use the SBTC 1Cross App to present the gospel in her heart language. June and I rejoiced as this precious lady prayed to receive Jesus as her Savior.

As you read the reports in this book, be aware they are more than busyness. They are testimonies of God's amazing power. People are coming to know Jesus as Lord and Savior. SBTC church plants, church revitalizations and evangelistic events are avenues God is using to bring people to Himself. Your participation is vital. Your contribution through the Cooperative Program enables us to combine our resources to Reach Texas and Touch the World. With all of the challenges from within and without the church, we need each other more than ever. Now is the time for us to pray for the power of the Holy Spirit to fall upon us.

Thank you for allowing me to serve the churches of the Southern Baptists of Texas Convention.

MISSIONS

Shane Pruitt, Director of Missions

The SBTC Missions Team exists to help churches fulfill the Great Commission in Texas and beyond through church planting and strategic missions mobilization.

E17: Functionally, the Missions team sees itself as an Exodus 17 support. Just as Aaron and Hur lifted up the arms of Moses, so that the Israelites would defeat the Amalekites, we desire to be Aaron and Hur to the local church. As the Lord pushes back the darkness through His Bride, the Missions Department exists to support and encourage the church.

Advance Now: Advance Now is a collection of Podcasts, Articles, Videos, and News Feeds that are designed to equip us in advancing the Kingdom of God. Advance means to “move forward, proceed, press on, push on, push forward, make progress, make headway, gain ground, typically in a purposeful way.” This is why Advance Now exists – wherever you’re at on your journey in the Mission of God... Advance. www.sbtexas.com/advancenow , Download the App - Advance Now, Twitter - @advance_now , Facebook – Advance Now

Planting & Mobilization Social Media: We post regular updates on SBTC church planting, mission’s mobilization, and all things missions and education. You can find information on who is affiliating, who you can pray for, missions mobilization, and find updates on events through the following social media sights: Twitter - @sbtplant / Facebook – SBTC Church Planting, SBTC Missions Mobilization/ Instagram – SBTCplant

Reach Texas State Missions Offering: Once again God blessed and SBTC churches were generous! The 2015-2016 State Missions Offering reached over \$1.37 million dollars. This is a new record! The 2016 – 2017 has just started with the theme, Who Is My Neighbor? We are grateful for the faithfulness of SBTC churches. Every penny of this offering goes towards Church Planting, Missions, Evangelism, and Disaster Relief. You can find downloadable resources and more information at www.sbtexas.com/reachtexas

Church Planting: 2016 has been one of the biggest Church Planting years in a long time. There are currently 92 Church Plants under funding, and by the end of the year we’re expecting to have exceeded our goal of 100. There are an additional 80 plus potential planters in our application process, with 17 of them targeting the Houston area. This is by far the greatest number of church planters the SBTC has in Houston, so it seems as if the Reach Houston focus is working. Consequently, we expect to see our number of funded church plants to increase over the next twelve months. Finally, over the last year, we added 13 new Church Planting Centers and training institutes. There are more on the way.

Advance Luncheon: Preceding the 2016 Empower Evangelism Conference, we held our first Advance Luncheon for church planters, potential planters, and pastors/missions pastors of sponsoring churches. We set a goal for 25 – 30 attendees; however, over 125 people attended the event! We believe this will be an annual event.

Church Planters Retreat: This event is now called Advance Weekend. In 2016, the Church Planters/Wives Retreat was on March 31- April 2. We had a full house with over 215 guests attending, which is one of our biggest responses.

Borderlands Church Planting: God is definitely at work along the border!

Rio Grande Valley: There are currently five funded church plants in the Rio Grande Valley. There are also several Bible Studies/preaching points with the potential of developing into churches. David Ortega, the SBTC's Valley Church Planting Missionary, has led the development of one church planting center, Iglesia Poder de Dios. Two more are scheduled to launch by the end of 2016: FBC Brownsville and Baptist Temple. Church planter assessors and coaches are in training, and the RGV church planting network is developing. David is emphasizing church planter recruitment this year, so we expect more planters to answer the call in 2016. Also, our PUSH Missions Mobilization events in the Valley have seen over 200 salvations so far this year.

El Paso/Laredo/Midland-Odessa: Chuy Avila is expanding his fields! In El Paso, we have six funded church plants and several non-funded plants. Church planting training centers currently operate in five locations, with four in Spanish and one in English. Assessors and planter coaches were trained, and two more church planting centers are in the planning stage. Chuy makes it a priority to recruit second generation Hispanic church planters (English language).

Chuy also spends several days per month in Laredo overseeing and developing the strategy there. Our former Laredo strategist, Tom Lawton, moved to Florida last year. Since Chuy's return, we have seen an increased interest in planting from both potential planters and sponsor churches. We currently have two funded church plants in Laredo but certainly see a need for more. On top of all that, Chuy networks and leads training in the Midland-Odessa area. The new West Texas Bible Institute he started has 30 students. Pray that some of the students will receive a calling to plant a church. God is at work along the Border! Our most urgent need is quality church planters. Please pray for God to work in the lives of men in the border cities and for men willing to move to these cities.

Texas Missions Initiatives (TxMI): Texas is populated with millions of people from diverse religious backgrounds and millions of people who live in multi-housing settings. TxMI people-group missionaries continue to evangelize, start Bible Studies, and plant house churches among these people. So far, this work produced well over a 130 professions of faith, with almost a 100 baptisms, while also training 18 SBTC churches to do missions among these same people-groups. If you need consultation or advice on reaching your changing community, particularly in reaching people from a Muslim, Hindu, or Buddhist background, don't hesitate to call Dan Acharya.

Texas Missions for Kids: We continue to produce new Texas Missions for Kids educational materials each year. These resources can be used as a supplement for VBS, Missions Moments, or as a stand-alone curriculum. We expect to release Volume 3 in Fall, 2016. You can find recent videos and curriculum on our website, <http://sbtexas.com/missions/mission-texas-for-kids/>.

MISSIONS: MOBILIZATION & REACH HOUSTON

Barry Calhoun, Director of Mobilization and Church Planting Associate

Mobilization and Reach Houston: Our SENT-Mobilization Regional Conferences in Arlington, McAllen, Tyler and Abilene trained 184 people from 46 churches. Many of whom were not attending the larger conferences. One lady from Odessa said she had just prayed for a conference to come near them, and then she saw the SENT conference in Abilene. On April 28-29, 2017 we will return to the one large conference in Austin, Texas with two keynote addresses, great worship, and workshops. The uniqueness of our mission conference is that it is contextual – for Texas, by Texas, to reach the nations. You can now follow us on Facebook.

Social Media: We have developed a new Mobilization social media, Facebook account, to help connect our churches to the training opportunities available to them. Facebook – SBTC Missions Mobilization.

Partnerships: Two new mobilization partnerships were formed with the state of Hawaii and Java, Indonesia. Both are scheduled to begin in 2017. The Hawaii partnership is a state-to-state partnership. We currently have at least four churches partnering in Hawaii. Three SBTC staff members traveled to meet with the Hawaii convention to help with the strategy. The island of Java, Indonesia has a population of 130 million and is 85 percent Muslim. We are hoping to attract pastors and leaders to teach at one of the local seminaries.

The SEND-Seattle partnership is doing well as SBTC churches are going on the vision tours. We have connected several churches to this work and have assisted one pastor on a vision tour. We are working closely with the SEND-Seattle Ambassadors in Texas.

The SBTC's Ecuador Partnership sent a team of thirteen pastors and lay-leaders to begin building a wall for a local school in Lagarto to deter vandals as well as conduct leadership training for 60 Ecuadorians. There were eight decisions for Christ. One woman asked, "what did you do to my husband... he is a changed man?" Team members now see the value of long-term partnerships. We are now in the hearts of the local people and one man has agreed to donate land to build the first evangelical church in the town of Lagarto. We are hoping to connect other churches and teams in other townships in the province of Esmeraldas. A more detailed article is in the September edition of the TEXAN.

Reach Houston: Reach Houston is our "reach city" with more than 350 ethno-linguistic people groups. After fifteen months of searching, in July, we hired a strategist to help us mobilize churches in the areas of church planting and revitalization through evangelism. We've had more than twenty planter applications for Houston and have resourced four planters this year. Churches are responding to the need for summer mission teams. Please follow Reach Houston on Facebook and visit the website, sbtexas.com/reach-houston.

Your Mobilization team works within the Missions department. It is our pleasure to serve you.

EVANGELISM

Nathan Lorick, Director of Evangelism

This has been a busy year for the SBTC evangelism department. We had a great Empower Conference at the Irving Convention Center. We are extremely excited about the 2017 Empower conference being held February 27th and 28th. This year's conference will only be two days- Monday and Tuesday. We will have our Senior Adult Luncheon and Classics Session on Monday afternoon. We currently have a great line up of speakers starting Monday night such as, Matt Carter, Ed Stetzer, Steve Gaines, K. Marshall Williams, Ed Newton, Jarrett Stephens, Jerry Vines, Jimmy Draper and many others. This year worship will be led by Austin Stone Worship, Jason Waller, Prestonwood Worship and Mark Lowry. I promise you will be challenged and blessed.

This year we continued our statewide personal evangelism strategy called *One In A Million*. The heart of this campaign is the desire to see all SBTC churches work together in one sacred effort to share the gospel in one million homes across Texas. At this time, we have over 444,000 homes committed. As a part of this campaign we are holding "Can We Talk?" trainings across Texas for the next couple of years. "Can We Talk?" is an evangelism tool created by pastor John Meador that God is using to help churches engage their communities with the gospel. If you are looking for a great way to teach your church to share the gospel, be sure to sign up for a training conference near you! We also know that many churches are already doing a wonderful job sharing the gospel in their community and we encourage you to continue doing what you're doing that is effectively engaging the lost. We do however; encourage your church to participate in the *One In A Million* effort by visiting this site <http://sbtexas.com/evangelism/> and make a commitment to how many homes your church will commit to reaching with the gospel by the year 2020.

Our language evangelism ministry continues to partner with our local churches to encourage, equip and serve as a resource for multi-ethnic, interfaith and multi-lingual ministry. Thus far more than 1,000 people were trained in evangelism. This year we launched the online Stand Firm Apologetics Course in Spanish which is a 16-Week video driven curriculum, the first of its kind in the Spanish-speaking world, that equips Spanish speakers to love God with all their mind and better contend for the faith. The Spanish Session of the Empower Conference drew 270 on Saturday for Evangelism Workshops and the General Session while 623 attended the Sunday Evangelism Rally with 63 making professions of faith. Other language evangelism resources produced this past year included the pamphlets "The Noble Sultan" in both English/Arabic and English/Farsi which is a Muslim evangelism tract. Also, in Spanish "Witnessing to the Witnesses", two Vietnamese evangelism tracts, and a Buddhist evangelism tract titled "The True Buddha," as well as the addition of the Kibembe, Kifuliro, and Kirundi languages to our 1Cross Evangelism App .

Collegiate Ministries has had a wonderful year in 2016. We had our largest turnout of 30 at our annual leader's event, Collegiate Roundabout, in Fort Worth. This meeting provides an opportunity to network and learn from others around the state. We also had 18 students participate in our Engage Ministry this year. They visited 23 churches and communities and their primary mission was to promote revival and awakening all across Texas. In their faithfulness to share the gospel they saw 49 people come to faith in Christ. Many of the students who were impacted in these churches and

communities have signed up to be a part of Engage in 2017. In 2016 we have also saw 40 churches participate in our Collegiate Missionary Ministry. This ministry develops, trains, and funds collegiate missionaries for local churches. Up until the fall, they have shared the gospel over 600 times and seen 52 people come to faith in Christ.

Our Student Ministries had an incredible year! Our SEC Movement North had 768 in attendance with 66 salvations, 9 surrender to ministry, and 17 commit to be baptized in their local churches. SEC Movement South had 940 in attendance, 70 students saved, 19 surrender to ministry, and 41 commit to baptism in their local church. We held 3 student camps in 3 different locations. The first camp was held at Camp Zephyr. We had 609 in attendance with 26 salvations and 48 students surrender to vocational ministry. Our second camp was held at Highland Lakes Baptist Encampment with 759 in attendance, 28 salvations and 25 surrender to ministry. Our third camp was held at Glorieta Conference Center in New Mexico. We saw 1,249 in attendance with 50 salvations and 120 students surrender to ministry. This was the largest student camp in SBTC history. This summer we ministered to 2,617 students. This is the most students and churches we have ministered to in camp ministry thus far.

Our Disaster Relief ministry has been extremely busy! As of the end of July there have been 18 disasters where our volunteers have spent 36,840 hours involved in the restoration of many towns across the state and the country. Our chaplains have had 209 opportunities to share the Gospel and 111 of those were professions of faith. 116 Bibles have been distributed and 22,359 meals have been served. Internationally, we have adopted an area in Nepal in which our volunteers have invested 4,700 hours and counting with 464 opportunities to share the Gospel and 143 professions of faith. There have been 81,176 meals distributed and 601 bibles distributed. Your Disaster Relief staff and volunteers work hard, even sacrificially, to minister to practical needs and to take the Help, Healing, and Hope of Jesus Christ to people who are suffering and grieving. Many more volunteers are needed for teams to respond more often and stay deployed longer. Don't overlook the several training opportunities offered for Disaster Relief volunteers for 2017.

These are the highlights from the past year from the Evangelism Department. Thank you for your support and prayers. We look forward to what God is going to do in Texas in 2017.

PASTOR/CHURCH RELATIONS

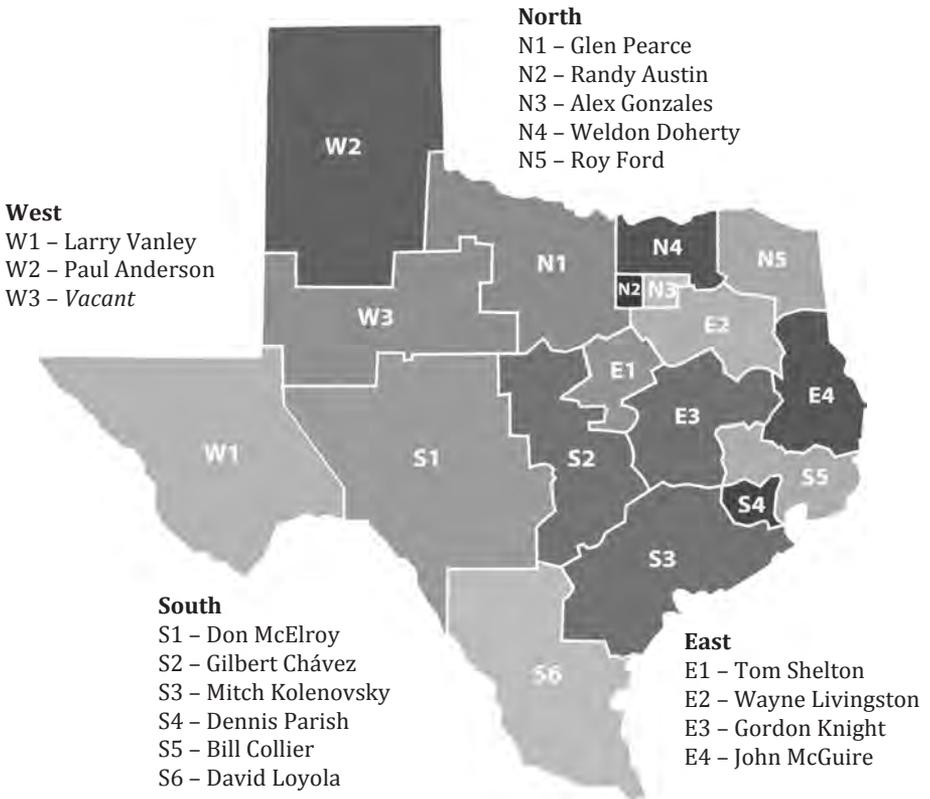

Heath Peloquin, Director of Pastor/Church Relations

Our Mission:

We strategically facilitate ongoing, spiritually healthy relationships with pastors and churches to support their success in the Kingdom of God.

Our Team:

The PCR Team consists of Heath Peloquin, Director; Ted Elmore, Associate overseeing Field Ministry Strategists and Prayer Ministry; Wes Hinote overseeing Forge Young Pastor's Network and the Next Step resume system; Bunni Ramey, PCR Ministry Assistant, Gloria Corbitt, PRC Ministry Assistant and Laura Adkison, PCR Ministry Assistant to Heath Peloquin; Casey Perry, Specialist, Ronnie Yarber, Specialist and TC Melton, Consultant.

Field Ministry Strategy

Field Ministry Strategists: Paul Anderson, Randy Austin, Gilbert Chavez, Bill Collier, Weldon Doherty, Roy Ford, Alex Gonzalez, Gordon Knight, Mitch Kolenovsky, Wayne Livingston, David Loyola, Don McElroy, John McGuire, Dennis Parish, Glen Pearce, Tom Shelton and Larry Vanley.

Field Ministry Strategists (FMS) seek to develop and build relationships with pastors, church staff, and directors of missions. It is the desire of each FMS to be a friend, provide encouragement, pray and connect churches to the SBTC and our ministry resources. The Field Ministry Strategists also help facilitate area ministries and represent the SBTC.

Field Ministry Report

Our Field Ministry Strategists continually make one-on-one visits, phone calls, texts and emails with both information and encouragement to pastors and directors of missions. They monitor their zones for pastor-less churches and seek to connect those congregations with the resources of PCR to assist in the training of pastor search committees and selection of a new pastor.

Prayer Ministry

Since January 2016, Ted Elmore, SBTC, Prayer Strategist, reports 116 attendees, 34 pastors, and 1 DOM at the 5 “We Will Pray” regional prayer events. The “We Will Pray” prayer meetings have been refreshing times for attendees and are a component of the state prayer strategy to develop a culture of prayer in the local church.

Today’s Interim Pastor Ministry

This aspect of our work equips God-called interim pastors with a track during the interim time leading the pastor-less congregation toward intentional organic steps to provide a stage for the next pastor without establishing the agenda for the next pastor. Three interim pastor trainings have taken place training a total of 45 men for interim pastor work. There will be several more trainings regionally across the state.

Forge Ministry

Wes Hinote continues to develop many avenues for young pastors to connect with the convention through the Forge network’s website, blogs, and events. His yearly strategy has been implemented and 2016 will see the full force of the Forge network’s capabilities.

The website is pioneering the field of pastor networking on the web. It is a uniquely SBTC project. Just as the SBTC is pushing forward with ministry to young pastors, the young pastor’s network website is just a beginning to a grander picture for pastors in the state.

The blogs are a new and exciting addition to the Forge network. It features respected pastors from across the state both writing and contributing to the project. The blogs cover preaching, pastoring, discipleship, leadership, and current events. Updated on a two week basis, the blogs will offer encouragement and insight consistently for our young pastors.

Finally, the lecture series will be in seven regions across the state. The same lecturer will go to each location with Wes and lecture on a particular topic. A lunch will be provided while questions are answered. This event is open to all who would like to come.

Next Step Resume Service

PCR helps churches and pastors with our Next Step resume system providing resumes to churches for potential ministers. We have currently supplied 172 churches with pastor/church leader resumes.

Encouraging Pastors

The New Pastor Retreat started off 2016 with 23 pastors new to the Southern Baptists of Texas Convention in attendance to meet staff and learn more about the resources of the SBTC. Pastor Keith Sanders of First Baptist Church, Keller encouraged the pastors and wives with his message at the evening banquet.

In April, the first Pause Retreat took place in Tyler for bi-vocational pastors and worship pastors with 32 pastors attending. This was a collaborative effort between the SBTC Church Ministries department and Pastor Church Relations to meet the specific needs bi-vocational pastors face. Dr. Jimmy Draper, Carol Ann Draper and Bill Anderson lead sessions designed to refresh and encourage the pastors and their wives.

PCR hosted the 2016 Pastor and Staff Golf Retreat at The Tribute at The Colony, Texas. The banquet was held at Providence Church in Frisco. Afshin Ziafat was the key note speaker who encouraged the pastors at the banquet. A total of 103 golfers participated in the tournament. Next year, the tournament is taking place at the Tribute in the Colony and we expect over 140 pastors and church staff members to be involved.

The annual Pastor/Wife Retreat is set for July 21-22, 2017 at the Hilton Lakes in Grapevine. The retreat had very high attendance this year with 110 couples being able to enjoy a weekend of relaxation and encouragement.

Serving Churches

PCR works with GuideStone Financial Services to provide retirement benefits for church employees, staff evangelists, and directors of missions. The total number of monthly participants per GuideStone's billing summary is 1987.

PCR has provided eight churches with church grant assistance totaling \$10,500.

Assisting Associations

PCR continues to serve associations by meeting their needs through grant assistance upon request. Since January 2016, PCR has served two associations through grant assistance.

Other Ministries

PCR assists the SBTC Credential Committee in affiliation requests.

PCR collects the Annual Church Profile (Data) for reporting statistics for the SBTC.

PCR oversees the Bible Conference which precedes the Annual Meeting.

HISPANIC MINISTRIES

Mike Gonzales, Director of Hispanic Ministries

Your SBTC Hispanic Ministries team is privileged to continue to enrich the ministries of pastors and churches with resources, training, and encouragement. We are here to serve and partner with you in your endeavor to fulfill the Great Commission.

In February during the URGENT Evangelism Conference, we worked in conjunction with the language evangelism ministry to coordinate the Spanish language evangelism training track, as well as the evangelism rally on Sunday evening.

Our first Spanish Regional Conference was held at Bethel Baptist Church in Houston, March 11-12. Our keynote speaker was Rudy Valdez, associate pastor of Bethel Baptist Church. We were blessed with the partnerships of Champion Forest, Houston's First, Navasota, Crosby, and the greater Houston area churches that promoted and served this leadership training event. Various age appropriate teaching sessions were offered for children, youth, and adults. Close to 200 people were in attendance representing 12 congregations.

The second annual Hispanic Leadership Summit was held on Tuesday, April 5, and brought together over 35 pastors from around the state that are focused on reaching the 2nd and 3rd generations of Hispanics which are the fastest growing segment of Hispanics in the United States. Mike Alameda, director of Arizona-based Corazón Ministries, challenged stereotypes and offered practical solutions to better minister to this demographic group.

The second Spanish Regional Conference was held April 8-9 at Immanuel Baptist Church in El Paso. Pastor Gilberto Gutiérrez and his wife, Yaní, from México City, ministered to the pastors and wives during a special dinner and dialogue on Thursday; and on Friday and Saturday, pastor Gilberto was the keynote speaker and also taught ministry workshops. Various age-appropriate tracks were offered for children, youth, and adults. We had over 200 in attendance.

Our annual pastors and wives retreat was held at the Marriott Solana, Westlake, on Friday, April 29 through Saturday, April 30. The retreat encouraged, trained, and connected 30 ministry couples through various marriage enrichment seminars and pastoral ministry sessions. This year pastor David Galván and his wife Elvia, of Primera Iglesia Bautista Nueva Vida/New Life Church in Dallas helped to facilitate the retreat.

Our tenth annual Youth Week student camp was held at the Palacios by the Sea Texas Baptist Encampment in Palacios, Texas. Evangelist Lance Wendling of Garland was our camp pastor and Dallas-Ft. Worth based Creation's Anthem led us in music. Drama group In the Light Ministry from San Antonio, comedian Jason Earles, and speed painter Lance Brown of Arlington entertained and challenged students with the gospel as part of our what's next special events program. There were more than 200 students and leaders in attendance. Also, 4 youth trusted Jesus Christ as Lord and Savior and 9 asked special prayer for spiritual maturity.

Our 11th and final Hispanic Women's Conference was held at the Richardson

Renaissance Hotel in Richardson on July 29-30. Christian counselor Zoricelis Dávila and mother-daughter ministry team Elizabeth Márquez and Lizzie Márquez expounded on the conference theme of leaving a legacy of faith. There were more than 675 women in attendance. Also, contemporary Christian artist and worship leader from Baptist Temple, Nidia Quintanilla, led the praise and worship time.

The third Spanish Regional Equipping Conference was held in conjunction with First Baptist Church and Iglesia Bautista West Brownsville on September 9-10. Chuy Ávila, SBTC's Borderlands missionary and church planting catalyst was the keynote speaker. We had an attendance of 271 on Friday night. Various age appropriate teaching sessions were offered on Saturday.

The fourth Spanish Regional Equipping Conference will be held on September 23-24 at South Jefferson Baptist Church in Mt. Pleasant. Richard Vera of California will be our keynote speaker. We are anticipating an attendance of over 200. Various age appropriate teaching sessions will also be offered.

Our annual Hispanic Men's Conference, Men of Impact, will be held at the River Bend Retreat Center in Glen Rose on October 9-10. The elite athletes of Team Impact will be ministering this year through various physical feats and biblical teaching. Pastor Ramón Medina of Champion Forest Español in Houston will also bring a challenging message about biblical masculinity. Our SBTC disaster relief feeding unit will also be present to prepare a special Friday night meal and share about their ministry. We are anticipating an attendance of 400 men.

We will conclude 2016 with the Spanish Session during the SBTC annual meeting at High Pointe Baptist Church in Austin on November 13. Various churches will be invited to take part in this special service to celebrate what God has done in our state. Our keynote speaker will be Carlos Navarro, pastor of Iglesia Bautista West Brownsville.

Our team has also been involved in church consultations, pastor resume services, evangelism, student evangelism conferences, church planting conferences, Cooperative Program promotion, translation projects from other departments, and leadership development seminars. We will continue to work diligently to make our service to our churches more effective.

LEADERSHIP MINISTRIES

Kenneth Priest, Director of Convention Strategies

The Convention Strategies area focuses on church revitalization, Cooperative Program, social media and promotion for the Southern Baptists of Texas Convention.

Church Revitalization

The SBTC has launched 18 new revitalization works in coordination with pastors and churches during 2016. Additional conferences and labs in church revitalization were also this year, equipping approximately 150 pastors and church leaders.

The website, church-revitalization.com, has 135 registrants. This site is an online training tool providing course work for pastors to assist in revitalization educational work. The new church revitalization life expectancy calculator was launched on the website.

The Cooperative Program is the missional funding mechanism of the SBTC. Forty-five percent of undesignated giving remains in the state for mission and ministry of the SBTC and 55 percent go to the SBC for on-going support of the convention's ministry and mission of impacting lostness globally.

New resources released for Cooperative Program strategies include education resources and promotional materials. The SBTC uses the website whatisCP.com for this purpose. Resources are available for download throughout the year and are added on an ongoing basis.

LEADERSHIP MINISTRIES: FELLOWSHIPS

Richard Taylor, Personal Evangelism & Fellowships Associate

African American Fellowship (AAF):

The AAF was in the midst of transition this year. Dr. Terry Turner decided that it was best for the Fellowship to have new leadership as he resigned that post after numerous years. Dr. Tony Mathews now serves as Interim President, until a permanent president is selected.

The Evangelism Banquet was a great success with a sold out venue of 55 in attendance. There was great fellowship and worship, and Shanon Thomas, pastor of Rockwall Friendship preached a powerful message. Plans are underway to have even greater participation in the future.

A FaceBook and Twitter account was created in order to more effectively communicate with pastors and highlight activities going among sister churches.

A Praying & Listening Session was convened on July 19th to pray about and discuss issues of racial tension and violence at the SBTC building with 22 in attendance. A Prayer Retreat is scheduled for 2017.

Korean Baptist Fellowship of Texas (KBFT):

There was no KBFT Evangelism Conference held this year. They were encouraged to participate in the regular conferences and attend the AMF Banquet.

Annual Meeting was held the first week in August at the Semihan Baptist Church in Carrollton, TX. I was invited to have dinner with them and bring greetings on behalf of the SBTC. I also accepted a plaque of appreciation presented to Dr. Richards.

Asian Ministries Fellowship (AMF):

The AMF Evangelism Banquet was held during the Empower Conference. Dr. Terry Coy was the guest speaker.

The Pastor and Family Retreat was held at First Baptist Church Euless June 27-28. Dr. Lloyd Blue led several sessions dealing with the Family. There were 45 in attendance.

Francis Calimbahin resigned as the Asian Ministries Consultant to further his education.

Plans are underway to develop a four-person Task Force that will coordinate the future events of the AMF.

Look Like Heaven (LLH):

The Multi-Cultural Conference that was scheduled in partnership with Champion Forest Baptist Church was postponed when it was discovered that another major conference targeting the same audience was already scheduled and being promoted.

The first LLH Chapel was held on July 20th. Dr. Hyoung Min Kim preached from Acts 1:8; Titled: Carrying out the Great Commission. Several of our staff participated in worship, scripture reading and prayer. The service was very impactful and plans for an annual LLH emphasis are scheduled.

COMMUNICATIONS and MINISTRY RELATIONSHIPS

Gary Ledbetter, Director of Communications and Ministry Relationships

Communications

Our convention's communications ministry strives to tell the good news of God's work among Southern Baptists in Texas, across the nation and around the world. Done well, communications resources will unify the churches of our convention around the beliefs and ministry that led them to found a convention in the first place. The Southern Baptist TEXAN is the only newspaper that addresses the work of Southern Baptists in Texas. This monthly newsmagazine is mailed and shipped to more than 45,000 people each month. Because stories break more often than once a month, we regularly post stories to texanonline.net and promote those stories through our Twitter (@sbtexan) and Facebook accounts. I encourage you to follow us on Twitter and visit our Facebook page for regular updates. We also send out an email digest of our stories every two weeks. You can subscribe to our print and emailed editions by visiting our website.

During the period between July 31, 2015 and August 1, 2016, our news staff produced 292 stories and articles. Forty-six of these were opinion pieces (editorials, executive director's column, president's column, etc.). Our print edition carried 170 of those original stories and the remainder were posted to our website.

Our communications staff also assists with design projects ranging from web banners to booklets and catalogs. We estimate that we will produce more than 400 design projects by the end of the year. In this way and in others, the goal of our communications team is to support the work of our other convention ministries and also to provide our churches with information and encouragement to help them do all that God has placed before them. It is a privilege to serve the churches of the SBTC in this way.

Ministry Relationships

In accord with our core value of remaining kingdom-focused, the SBTC has worked to identify like-minded ministries in Texas with which we can work without starting an institution from the ground up. These sister entities are assisting our churches through education and family ministries. We are happy to maintain affiliated relationships with Criswell College, Jacksonville College and the Texas Baptist Home for Children. We have trustee board representation for each of these institutions and each receives a portion of our annual budget to assist their work. We do not have majority representation or provide a majority of income for any of these. Each institution is committed to doctrinal integrity and Great Commission ministry by their affirmation of the Baptist Faith and Message (2000). Each of these is evangelistic in intent and in practice, and each bears fruit. This year, we have provided 59 scholarships to students at Criswell College and Jacksonville College.

We also have related ministry agreements with five Texas fellowships and institutions: The Baptist Missionary Association of Texas, The Korean Baptist Fellowship of Texas, Houston Baptist University, The Conference of Texas Baptist Evangelists and The Baptist Credit Union. With the exception of the Baptist Missionary Association of

Texas, with which we have an open-ended agreement, each of these agreements is annually renewed.

The description of the two types of agreements and the qualifications for entering agreements is published on pages 43 and 45 of this book of reports. Our ministry relationships are evaluated each year by a committee of the SBTC Executive Board and appropriate action is then taken by the full board.

It is has been our experience since 2002 when we entered into our first ministry relationships that these relationships do provide services and strength to the ministries of our churches. They also serve to make the ministry of our convention more thorough and diverse. All this is in keeping with our affirmation that cooperative ministry accomplishes more than we could ever do alone.

POLICY FOR MINISTRY RELATIONSHIPS

Rationale for Ministry Relationships

Biblical Rationale

Various times in the New Testament churches partnered to accomplish a common goal, (2 Corinthians 8, 9; Philippians 4; 3 John). While no formal association of churches existed, such as state conventions, the principle of cooperation and mutual assistance is found throughout scripture (Ecclesiastes 4, Luke 9).

Southern Baptists of Texas Convention (“The Convention” or “The SBTC”) is committed to carrying out the Great Commission tasks of evangelism and discipleship (Matthew 28:19-20). The convention may at times consider ministry relationships with institutions or organizations that can assist it in accomplishing these divine mandates.

Theological Rationale

The Convention holds a core value of theological agreement. Recognizing the church as autonomous, the Convention claims autonomy as well. The SBTC has chosen to set theological parameters for affiliation among the churches. Therefore the SBTC would enter into a ministry relationship with those institutions or organizations that meet those parameters.

Missiological Rationale

The SBTC desires to work with Great Commission entities. Without creating a bureaucracy, the SBTC seeks to provide mission and ministry tools for the affiliated churches. In order to do so, the SBTC is willing to enter ministry relationships.

Foremost for the SBTC is evangelism and missions that result in new church starts. Other missions and ministry efforts must fit within the context of the Great Commission. Priority in funding will be directed to missions and evangelism. New church starts will continue to receive the largest emphasis.

Practical Aspects

Coordination of mission/evangelism and ministry activities is being done with a limited staff, paid consultants and volunteers. There is no desire on the part of the SBTC to form new organizations or duplicate ministries that are already in existence and are willing to enter into a ministry relationship.

Affiliated and Related Ministries may be eligible to receive funding from the Convention. Any funding shall be administered according to the Business and Financial Plan.

Spiritual Understanding

The work undertaken in these ministries is the work of God for the benefit of His Kingdom. Each agreement shall specify that no legal partnership, joint venture, or agency is being created. No ministry relationship shall be undertaken with an entity which does not hold an exemption under Section 501(c) (3) of the Internal Revenue

Code. Each agreement shall declare that the parties do not intend to be entering into, and the agreement shall not be, a legally enforceable contract.

1. Each ministry relationship is founded upon a voluntary agreement between the SBTC and another entity to cooperate together in the task of missions and ministry.
2. The SBTC and the other entity shall each remain independent and autonomous organizations.
3. Neither the SBTC nor the other entity will seek to abridge or control the other.
4. Each will select, employ, retain, and supervise its employees, volunteers, members, officers, directors and agents without any participation by the other in those matters.
5. Each shall remain free to enter into other formal relationships with other institutions or organizations.
6. Each must faithfully comply with all applicable state and federal laws, rules, and regulations.
7. Each will have the right to terminate the relationship at any time without cause and without the necessity of any prior notice to the other.

Method for entering into a Ministry Relationship

1. Any entity desiring a Ministry Relationship with the SBTC will petition the Ministry Relationships Department of the SBTC, indicating a desire for such relationship.
2. The SBTC Staff and the entity shall formulate a written Ministry Relationship agreement to be presented to the Ministry Relationships Committee.
3. The written Ministry Relationship agreement shall be submitted through the Ministry Relationships Committee to the Executive Board of the SBTC for approval.
4. The Ministry Relationship agreement will be reviewed and renewed periodically as specified in the agreement.

Types of Ministry Relationships

I. Fundamental conditions of an **Affiliated Ministry Agreement**

- A. The entity entering into an affiliation agreement with the Convention shall affirm it is in agreement with the Baptist Faith and Message 2000.
- B. The entity will engage an independent CPA to perform year-end audit of its books and records. It will provide a copy of its audited financial statements, and any accompanying audit reports and management letters, to the Convention on an annual basis for informational purposes. Although not a condition for affiliation, it is also strongly recommended that the entity be a member of the Evangelical Council for Financial Accountability (“ECFA”) and adhere to the standards of conduct required to remain a member of ECFA in good standing.
- C. The entity shall be eligible to receive financial support from the SBTC. If the entity receives funds from the SBTC it agrees not to solicit funding from any church affiliated with SBTC without prior SBTC approval in writing signed on behalf of the SBTC by the Executive Board Chairman.
- D. The SBTC will be allowed to have representation on the governing board of the entity.

II. Fundamental conditions of a **Related Ministry Agreement**

- A. The entity must hold a high view of scripture.
A high view of scripture would include but not be limited to the position that the Bible is factual in character and historicity in such matters as: 1) the supernatural character of the biblical miracles which occurred as factual events in time and space, 2) the historical accuracy of biblical narratives which occurred precisely as the text of scripture indicates, and 3) the actual authorship of biblical writings as attributed by scripture itself.
- B. Institutions and organizations must be in basic agreement with Southern Baptist distinctives.
Southern Baptist distinctives would include but not be limited to 1) salvation by grace alone through faith alone in Christ alone [inclusive of security of the believer] 2) baptism by immersion of believers only, and 3) the Bible is the final rule of faith and practice.

CRISWELL COLLEGE

Barry Creamer, President

Criswell College's 2015-2016 year provides the best evidence yet of its progress to become one of the top biblically based liberal arts colleges in the country. Highlights for this year include:

Financial Health-A financial health report provided by external auditors (Capin&Crouse, LLP) clarifies the healthy, forward-leaning position in which the college finds itself as a result of decades of faithful donations, estate gifts and bequests since the school's founding. Even as we adjust our business model to maximize the service we can provide our students, SBTC churches and our supporters, we do so knowing God has already laid the material foundation from which the school can grow to become one of the best biblically grounded colleges in the country.

Accreditation-The school's fifth-year report and our substantive change request for a new Bachelor of Science in Education (Early Childhood through Sixth Grade) to SACSCOC put an exclamation point on five consecutive successful requests or reports to the regional accrediting agency—an impressive accomplishment even for colleges with a staff much larger than Criswell's. These successes accurately indicate the healthy and helpful relationship we enjoy with our accrediting agency.

Admissions-The enrollment team had its second impressive admissions class in a row, adding over 100 new students in 2015 and demonstrating that its strategy is on the mark. Additionally, the fall 2016 addition of 125 new students indicates a very promising trend for the future. In addition, the college recruited its first honors students in 2015 and 2016 in its ongoing development of an honors cohort.

Academic Programs-While biblical studies and ministry degrees have held their ground as the mainstay for undergraduate students, the psychology and counseling programs' growth, and the education degree's strong start reveal their broad appeal as well. As always, every program (including PPE, psychology, and education) includes a minimum of 42 hours in Bible, theology, and ministry.

Mission Trips-Among other local evangelistic works and innumerable engagements in local churches and ministries, Criswell students and faculty traveled on mission to both Israel and Kenya. Bobby Worthington and Kevin Warstler led a team of five students to Nairobi in January to partner with Kenyan national pastor Samson Kisia of the First Baptist Church of Ruiru, where Criswell students led evangelism efforts through translators, preached in churches and provided love and care to their local church partners. The team helped plant a church on a parcel of land belonging to FBC Ruiru, which Pastor Kisia has named Criswell Baptist Church. During the trip, 84 individuals professed faith in Christ, and 62 national pastors received training in both Bible and theology.

JACKSONVILLE COLLEGE

Mike Smith, President

When I was a lad of six, my legs would hurt. My mother's response as she rubbed them, "Those are growing pains." I thought to myself, "It sure hurts to grow." I have found it hurts to grow in all areas of life. Be it physically, institutionally, numerically in church growth or spiritually, there usually are growing pains. The Bible has numerous verses on pain and suffering associated with growth. According to Acts 6, when the early church was growing—conflict arose. Romans 8 records that Paul, who suffered immensely, said, "I consider the sufferings of this present time are not worthy to be compared to the glory which shall be revealed." James 1 says, "Count it all joy when you fall into trials ..."

GROWING

Jacksonville College is growing, praise the Lord. Look at the facts in the following areas:

Enrollment:

Year	Fall Semester
2010	402
2011	458
2012	560
2013	526
2014	560
2015	628

Evangelism:

In the past, a large number of students at Jacksonville College were from BMA churches and Christian homes, but not so today. Many come from unchurched backgrounds. We had nineteen countries of the world represented on our campus this past semester. Jacksonville College is a mission field. This past year we had over 100 salvation decisions. We held weekly Bible studies and discipleship training, and we had a group of students who went on a mission trip to Costa Rica.

Expansion:

We have added new courses in agriculture, art, criminal justice and education.

We have added new staff. Janice Caldwell, wife of Pastor Robbie Caldwell of New Harmony Baptist church, is a JC speech and education instructor. Roy Stephens, former BMA and SBC pastor, is the new JC golf coach and agriculture and psychology instructor. George Cumby, All-American linebacker at Oklahoma, and All-Pro with Green Bay Packers, is a JC recruiter.

PAINS

We praise the Lord for all growth in all areas, but with growth, comes pain. We need more student housing, as well as classrooms and staff to keep pace with student growth. We need new facilities. Many of our buildings are over 50 years old, and plumbing and roof leaks are constant problems. All these needs require money.

DEBT FREE IN THREE

Jacksonville College is experiencing growing pains, but I would rather have growing pains than dying pains. The College has had to borrow against itself to make necessary repairs. We need to be debt free, and I know this is possible.

We are thankful for every church, association, and individual who supports Jacksonville College. Please continue. Jacksonville College is growing and lives are being changed every day as a result. Keep giving your present amount plus a little extra to help accomplish our goal. Over the next three years, if each of you would give one-third more than you are presently giving, we could be "Debt Free in Three."

God is blessing Jacksonville College, and our students have the amazing opportunity to attend a Christ-centered college that is committed to academic excellence. Please continue to pray for us as we continue to grow.

TEXAS BAPTIST HOME FOR CHILDREN

Eddie Marsh, President

In the spring of 2005, a group representing the Southern Baptists of Texas Convention, along with members of the staff of Texas Baptist Home for Children met in the office of the Home President to discuss the possibility of a partnership. This relationship has yielded many benefits to the Baptist Home and the members of the Convention. I would like to take this space to share a few.

- In the fall of 2015, First Baptist Church of Farmersville helped with the back-to-school campaign by providing 20 backpacks which contained everything a child would need for the first day of school. The value of each backpack and contents was about \$100.
- At Christmas, First Baptist Church of Farmersville and other churches of the SBTC helped to provide gifts for 150 children who were in the care of TBH. Remedy Church arranged for the Waxahachie High School Drill team, the Cherokee Charmers, to spend a Saturday morning helping to wrap gifts. This is the fourth year that the church and drill team have provided this service to the Baptist Home.
- Remedy Church also provides a bounce house each year for the Change for Children celebration and open house on the campus of TBHC.
- In the year that began in September 2015 through the month of August 2016 TBH witnessed 44 adoptions. The husband of one of the couples who adopted serves as pastor of a SBTC church. This is the third year that a SBTC pastor and his family has opened their heart and home to a child.
- Cook Springs Baptist Church has been a friend to this ministry for many years. They help with back-to-school and Christmas, and other needs throughout the year.
- The trustees who represent the Convention have proved themselves to be a vital part of the ministry. Their fellow members have elected them to positions of leadership on the Board.
- Couples with strong SBTC ties are involved in the foster program and the foster-to-adopt program of TBHC. There are couples, who represent churches of the SBTC, and have in the past fostered or adopted through this ministry, they now are faithful to recommend the ministry of the Baptist Home to friends who are foster or adoption motivated.
- In a couple of months, a couple who are active members of Remedy Baptist Church will increase their family as they adopt a sibling group. This couple will go from no children to five children.

In last twelve months, 22 children, who are in the care of Texas Baptist Home for Children accepted Jesus Christ as their Savior. Each victory is shared with you. Thank you for loving and helping to care for children.

SOUTHERN BAPTISTS OF TEXAS FOUNDATION

Bart McDonald, Executive Director

The Southern Baptists of Texas Foundation exists to help God's people advance His kingdom with the blessings He gives. This vision statement drives the Foundation's mission of helping Southern Baptists support Baptist ministries through bequests, planned gifts, church loans, fund management and trust services.

A shift in Foundation funding approved by messengers in the 2015 annual meeting facilitated the implementation of new initiatives in Foundation operations. The expansion of staff and the delivery of new ministry-related products and services to affiliated churches over the past twelve months have been effective in producing institutional growth. With God's blessing, assets under management have seen impressive increases, up 10% for the twelve months ending 12/31/15 and an additional 20% for the six months ending 6/30/16. As we finish a five-year cycle and form strategic plans for the coming three-year cycle through 2020, we are thankful to God and the churches who have been instrumental in accomplishing a 63% rate of growth over the past five years.

Church lending has fueled much of the Foundation's expansion with \$9.2 million in approved loans over the last 18 months. As financial markets tighten and commercial banks shift their policies on church lending, the Foundation becomes a much more attractive alternative to conventional bank financing. The Foundation offers competitive financing alternatives to churches for renovation, expansion and new construction and all net earnings from lending are reinvested into funding Baptist ministries. Chris Emery joined our staff in July of 2016 as Director of Church Lending.

The Foundation hired Dr. Jeff Steed as Director of Planned Giving in March of 2016. Dr. Steed brings a wealth of expertise and experience critical to assisting churches in incorporating planned giving into their stewardship strategies. Through the establishment of Legacy Initiatives and planned giving seminars, Dr. Steed is available to work with congregants in leaving a portion of their estate to fund Baptist causes. Planning a "Getting Your House in Order" seminar is a great way to introduce planned giving concepts and educate believers on the potential of leaving a legacy to the kingdom through estate planning.

In October, Ken Temple joined the Foundation staff in the capacity of CFO / Director of Church Accounting Services. Many of our affiliated churches have expressed a need for outsourced accounting services and the Foundation is working on creating the necessary platforms to address this need in the future. Ken is a CPA and has served for the past fifteen years at Criswell College and is a valuable addition to our staff.

The Foundation continues to offer fund management options to meet church's investment needs through screened funds and attractive short-term liquidity funds offering above-market returns. Please do not hesitate to contact your Foundation for assistance in any of the ministry areas listed above. We would be honored to serve you and your church.

1. Robert Welch made a motion to read into the minutes the following motion approved by January 13, 2016 email ballot by the Executive Board. The Executive Committee recommends to the Executive Board the employment of Mitch Tidwell as Collegiate Evangelism Associate, as indicated in the job description and under the provisions shown in the terms and conditions of employment. The motion was seconded and the motion carried.
2. Dr. Bowman called the board's attention to the chairman's appointments to the board sub-committees. Russ Ponder, Mark Hogan, Mike Phillips, Joe Rivera and Tim Skaggs are appointed to the Administrative Committee. Josh Crutchfield, Craig Bailey, Paul Garcia, Matthew McCurley, Jo McGuire, Michael Postell and Kerry Ritchie are appointed to the Ministry Relationships Committee. President Nathan Lino serves by virtue of office on all board sub-committees.
3. Rocky Weatherford brought a report on behalf of the Credentials Committee. He presented a list of churches requesting affiliation (38) with the Southern Baptists of Texas Convention, and a list of churches for removal (13) from affiliation, as presented. A motion was made and seconded to approve both lists, as printed. The motion carried. (After voting, the new church count is 2,569.)
4. The chair recognized Bryan Baughman from PSK LLP. Bryan reported to the board that his firm conducted the 2015 audit for the SBTC. A motion was made and seconded to accept the audit review. The motion carried.
5. Robert Welch made a motion on behalf of the Executive Committee for the approval of the following 2017 SBTC Executive Board meeting dates: April 24-25 (Retreat Meeting), August 15, and November 15. The motion carried.

 - 10. Dr. Bowman informed the board that the Executive Committee met with Dr. Richards prior to the board meeting and has a recommendation. With the Executive Director being incapacitated for an undetermined period of time, it is the best interest of the Southern Baptists of Texas Convention to have someone responsible for decision making in the day to day activities of the Convention. Since Joe Davis is the longest serving ministry staff person who has a grasp of the entire convention operation, it is the desire of the Executive Committee to present him to serve as "Acting" Executive Director. This term of service would be until the Executive Director is capable of returning to his duties or other arrangements need to be made. As chair, Dr. Bowman asked for unanimous consent that the rules for Executive Board Operations & Authority be set aside for the Executive Board to consider a motion. There was no objection. Dr. Bowman opened the floor for a motion.
 - 11. Steve Swofford made a motion that the Executive Board of the Southern Baptists of Texas Convention elect Joe Davis as "Acting Executive Director." The term of his service would be for that period of time the Executive Director is not capable of performing his duties, or until other arrangements need to be made. During the term of his service as Acting Executive Director, he shall have the rights, duties, and powers of the Executive Director. The motion was seconded and the motion carried.

The motion carried.
 9. Kie Bowman asked Barry Calhoun, SBTC Director of Mobilization, to give a report on the Reach Houston emphasis. Barry gave an update on the work in Houston, including new church plants and those in process. He also introduced the new part-time employee and Reach Houston Strategist, Ben Hays. Ben shared his testimony and his heart for the ministry in Houston. Afterward, the board members prayed for Ben.
 10. Russ Ponder made a motion on behalf of the Administrative Committee to approve the proposed 2017 budget as submitted and moved that the 2017 budget be presented to the messengers constituting the 2016 Southern Baptists of Texas Convention; and further, he moved that a reserves funding grant of \$125,000 be used to supplement 2017 health insurance premium costs. Program needs are determined through direct contact with our churches. The assistance provided occurs through seminars, workshops, clinics, conferences, and valuable consultations. The primary purpose of the CM department is providing leadership development to church staff and lay leaders of the local church.

PASTOR/CHURCH RELATIONS

This area of ministry exists to provide leadership and relationship to pastors and other church employees as well as to the church body. Pastor/Church Relations (PCR) assists ministers in finding churches and churches who are seeking ministers. We provide training for search committees and assistance with pulpit supply and other interim needs, including help in finding interims or Transitional Pastors. PCR hosts events and training to help encourage and equip pastors and other ministers. We are available to assist churches when conflict mediation or counseling referrals are needed. PCR works to support the ministries of Directors of Missions and associations through grants and training events. We relate to GuideStone Financial Services to assist ministers and church employees with retirement benefits and we provide pastoral supplements and emergency relief.

HISPANIC MINISTRIES

The Texas Data Center projects that Hispanics will be the largest ethnic group in Texas by 2020 and over 50% of the population by 2040. This incredible projected growth creates a great mission opportunity to fulfill the Great Commission. Your Hispanic Ministries staff serves as ministry coordinators and resource guides to counsel and partner with Hispanic churches, whether they prefer Spanish or English, to be able to address particular leadership development needs that are unique to their communities. We are able to fulfill this task by partnering with church staff, SBC entities, congregations, and educational institutions to provide consultations, a Hispanic men's retreat, youth camp, Spanish regional conferences, and a Hispanic pastors and wives retreat. The purpose of the Hispanic ministries department is to encourage and facilitate SBTC churches and associations in their fulfillment of the Great Commission in reaching the lost in Texas.

SUPPORTING MINISTRIES

COMMUNICATIONS

The purpose of our Communications department is to implement a strategy that supports all aspects of our Convention's ministry. A successful communications strategy will build relationships within our fellowship of churches. The good news of successful ministries and the sharing of challenges faced in other places can draw those who have needs together with those who have solutions. Our Communications ministry can also encourage affiliated churches as they partner together in the Great Commission. As Texas Southern Baptists see the needs and successes in our worldwide mission, we will be able to participate and pray in a more strategic way. Using a variety of information technology—print, web, and social media—the Communications staff works to provide timely information aimed at unifying our convention around the mission we've all joined. We remain committed to telling the good story in as many ways as possible.

MINISTRY RELATIONSHIPS

As the name implies, our Ministry Relationships department works with compatible, already existing institutions to provide strengthening resources to our Convention's affiliated churches. Our relationship with educational institutions addresses the need for leadership training and preparation for church leaders. Some of our related institutions employ experts in discipleship, missions, preaching, ethics, and a wide variety of useful ministry knowledge. Our Convention has from the start committed to using expertise already available in our state to meet the needs of the churches. We also partner with ministries that provide support to ethnic churches, aid to families in crisis, and rescue to children who need families. These relationships are all built on the foundation of doctrinal integrity. Every major ministry of our convention is magnified by the relationships we have built with sister ministries.
