A king with no throne does the impossible
and saves his people from slavery.

Is this David's story or does it point to something much bigger?

THE **GOSPEL** PROJECT

The Gospel Project is a new Bible study resource that looks at the whole story—the story of redemption through Jesus—from Genesis to Revelation. With components for adults, students, and kids, the entire church can be immersed in the gospel and find out what it means to be a part of God's gospel project.
