

Children's Sample Bible Drill - GREEN CYCLE (CSB)

COVER PAGE FOR DRILL

Notes to Drill Conductor:

1-In this printed drill your words are in **GREEN**.

2-I highly recommend utilizing a sheet of paper folded in half to slide down the page to keep your place, but more importantly, as a surface to indicate tally marks as you call on the drill students to help you know how often you have called on a particular student.

3-Another consideration is to hole punch some pages on the left, some on the right side so that your drill sections are open across a 1/2 inch loose leaf binder for each of the 4 different drills.

Reminders to Audience:

Out of respect for the months of hard work for these students, please adhere to these requests:

1-Phones & other electronic devices off

2-No videography & photography is permitted once the drill is completed

3-Hold your applause until the end when drill conductor indicates it's ok

4-No going in & out of room once drill has begun

5-Any student who will be drilling in this same level at a later time should not be in attendance

6-Obviously, no talking

Thank you for your cooperation! :)
