

Use this survey to determine shift in per capita giving over last year. The number of respondents would determine how much to adjust your anticipated giving for the balance of this year, and fiscal planning 2021. *(Create an online survey on your website and email link to members for fastest results).*

Has anyone in your household been laid-off/lost employment during the last 3 months? Yes No

Once permitted to return to work, do you anticipate an immediate placement in a job equal to or the same salary you had prior to the lay-off/termination? Yes No

Has anyone in your family received a salary reduction during the last 3 months? Yes No

Once restrictions are lifted, do you anticipate reinstatement of salary at previous level? Yes No

Would you mind sharing the percentage reduction in your salary? _____ %
