

SESSION 1 (10:00 AM)

Jane Hope
Library
2021 Church Library Motto: Adapt and Adjust!
Modifying to patrons' needs and wants as they come back from the pandemic. Lists are a great way to help them know about what the library has to offer. It is a great time to start a reading program for children.

Glenn McEowen
Library
Inventory: Fast and Fun – Really
I have to do an inventory, but how to make it quick and fun. This will focus on a procedure that with a few dedicated helpers, you can have your inventory done by noon.

SESSION 2 (11:00 AM)

Jane Hope
Library
Love It—List It—Share It
Libraries have to modify and change their services to meet the changing needs of church members. One thing that has not changed is the work “ministry.” We must center on ministry goals.

Kay Schmidt
Library
The Joy of Serving Young Readers
What joy comes to the faces of children when they discover books? As librarians, we can enjoy each level young children grow through, from the comfort of listening to a parent reading to the excitement of reading for themselves. How to make this happen.

CHOOSE FROM 5 LUNCH PANELS

- 1 **Children's Ministry Lunch Panel**—*Teaching Children in a Crazy Culture*
- 2 **Family Ministry Lunch Panel**—*Effects of Anxiety on the Family*
- 3 **"Reaching Generation Z" Panel**
- 4 **First Impressions Ministry**
- 5 **Women's Ministry Panel**

See page 1 for details and locations

SESSION 3 (1:00 PM)

Jane Hope
Library
Summer + Reading + Children = Fabulous Summer
How a summer reading program can transform your church and your children.

Kay Schmidt
Library
Making the Most of Your Library
While the pandemic has hurt a lot of ministries, it provides a great opportunity for your library.

SESSION 4 (2:00 PM)

Anne McEowen
Library
Keeping Up With Adult Fiction
A look at must-have adult titles, fiction and non-fiction, new and classic. There will be a new list of the new adult fiction that is available.

Glenn McEowen

Library Software: Does Our Library Really Need Web-based Software?
Our libraries have used Windows computers for years with Concourse, PC Card Catalog or other systems. While these systems are great, would it be beneficial to take out software to a web-based platform. What is involved in making the change?
