We Give Because...

we can reach Texas & impact the world

Dusty and Kristi returned home from the pastor and wife date night renewed in God's call on their lives and encouraged afresh to enjoy life, marriage, and ministry together through a very difficult season.

José Luis Hernández, who had been apathetic towards the gospel for a long time, attended the SBTC Hispanic men's conference and surrendered his life to Christ there. He has just recently participated in his first mission trip.

Pastor Michael and 17 missionary volunteers from International Victory Church, a Filipino church in Pearland, were able to minister to over 100 Hispanic children on the border through VBS. They saw 44 of them trust in Christ for salvation!

Mark and Sue Ellen surrendered their lives to Christ through the gospel witness of Disaster Relief volunteers. SBTC DR responded to 25 disasters in 2021, serving 214,823 meals, washing 1,470 loads of clothes, logging 29,430 hours, and having 6,470 gospel conversations through which 1,672 people made a profession of faith.

Ariel was trained along with 100 others this summer, to have intentional cross-cultural gospel conversations with Nepalese and Indian Hindus and Muslims in Austin.

Jared's church planting coach helped him think through their groups approach. They launched 12 groups and are launching four more very soon.

Pastor John and his wife Martha received the timely professional Christian counseling they needed to restore their marriage and ministry.

Pastor Luis Gonzales of Lamar Road Baptist Church in Arlington was able to bless churches and leaders in Mexico with Bibles and educational resources provided by the SBTC en Español ministry department and equip them in leadership training.

Susan was able to attend a Come Away pastor's wives retreat. She formed a text group with others from the retreat and for over two years they have been encouraging one another and praying for one another.

Take a Sunday to share how the Gospel is being advanced because of your gifts through the Cooperative Program. Consider taking a special love offering for CP.
