

**MOVING
FORWARD
TOGETHER** 

OUR MOUNTAIN-SIZED CHALLENGE

25 years ago, the population in Texas was over 19 million. **Today**, there are over 30 million Texans and lostness is growing

.....
**HOW DO WE REVERSE
THE GROWING RATE OF
LOSTNESS IN TEXAS?**
.....

Just like we have the
past 25 years: **Together.**

REFOCUSING ON THE MASSIVE
