

2025 is the **100th anniversary** of the Cooperative Program (CP), our unified funding initiative for fulfilling the Great Commission.

**ADVANCING
MISSION** 

SBTC **45%**  SBC **55%**

CP is our primary giving model. As churches give, 45% of undesignated receipts remain in Texas to mobilize SBTC churches and 55% is forwarded to national and international SBC entities. These funds support international missionaries serving in some of the harshest mission fields on the planet, church planters in North America, students attending one of the SBC's six seminaries, and so much more.

The SBTC, along with Southern Baptists around the world, will be celebrating all that God has done and continues to do through the Cooperative Program.

3 Ways to Celebrate CP100

Pray for record CP giving

CP100 is an opportunity for record giving, acknowledging God's favor upon our cooperative work. Many churches will mark this anniversary with increased giving. Consider how God is leading your church to give during CP's anniversary year.

Plan a CP Sunday

CP Sunday is Oct. 5, 2025. Set aside this day as a church to emphasize the importance and impact of CP giving.

Post a CP100 Video

Create a 15-second selfie video to share how God has used CP to bless your life. Include the hashtag #cp100story when you post the video to your social channels.
