A person is shown from the chest down, holding a Bible with both hands. The person is wearing a dark long-sleeved shirt. The background is a dark, textured blue. The text is overlaid on the top half of the image.

It's summertime and the auditorium is crowded.  
A line of teenagers stretches across the stage.  
Each teen has won his or her state youth Bible Drill.

**“Attention”**

Each teenager has a Bible at his or her side.

**“Present Bibles”**

They lift their Bibles to waist height. One hand supports it while the other rests on top.

**“Jonah”**

Their eyes register recognition. They know this book!

**“Start”**

Within two seconds, each teenager has located Jonah, placed a finger on the book, and steps forward.

A gasp of awe escapes from the crowd.

Youth and high school Bible Drill are exciting ways for teenagers to learn to use their Bibles to meet the challenges of life. It involves competition, but that is not what Bible Drill is all about. If teenagers can locate a verse quickly, learn to answer a question using scripture, become familiar enough with key verses to locate them from a few words—those teens are winners!

Bible Drill is a church event for youth in grades seven through nine and high school in grades 10-12. While preparing for the drill, teens develop skills in using their Bibles—locating books and verses, memorizing passages, and locating passages dealing with doctrinal and ethical concerns. Working together to prepare for the drill, teenagers increase their love for the Bible; its words and phrases become a part of them. Youth also gain poise and confidence as they respond to drill calls with speed and accuracy.

Bible Drill can be part of a weekly discipleship group or can be a special weekly, one-hour activity. Youth who are members of seventh, eighth, or ninth grade are eligible to participate as well as high schoolers in grades ten, eleven and twelve.

**This book will give you both an overview and a specific plan to begin a teen discipleship program (youth and high school) through Bible Drill in your church.**

**Each year your church will participate in any of the following events:**

### **Local Church Drill**

The local church drill is usually held one week prior to the associational drill. It is conducted with local callers and judges. Participants who qualify may proceed to the associational drill.

### **Associational Drill**

The associational drill is organized by your association and varies in date, but it is usually held two weeks prior to Easter. It is conducted with associational callers and judges. Please contact your association for details. If your association does not have a drill, contact us at 877-953-7282 (toll free) or [bibledrill@sbtexas.com](mailto:bibledrill@sbtexas.com).

### **SBTC State Regional Finals**

The SBTC State Regional Finals are for children, youth and high school students who complete an associational drill with a qualifying score. They are conducted by the SBTC. This level is the final level for children. Only qualifying youth and high school students may proceed to the state finals. There are various possible locations for the regional finals. Churches may choose where their participants may attend.

**The SBTC welcomes all churches to participate in the regional competition. However, only members of SBTC-affiliated churches are eligible to advance to the state competition.**

### **SBTC State Finals – Advancement Criteria**

The finals tournament is comprised of the top drillers from the regional drills (the number to be determined annually). Awards are presented to qualifying members of SBTC-affiliated churches only. In the event of a tie, an abbreviated drill-off will be held.

### **Registration Information**

To register your drillers and/or speakers, please visit our website at [sbtexas.com/bibledrill](http://sbtexas.com/bibledrill).

### **SBTC Scholarship Information**

The SBTC offers scholarships to the SBTC state finalists in the youth, high school, and speakers' categories. First place winners will receive a \$1000 scholarship. Second place winners receive \$500 and third place winners receive \$250.

## **New Formula for Drillers and Speakers Advancing to SBTC State Finals and National Invitational Tournament Beginning in 2019**

To advance to SBTC State Finals in Grapevine, both drillers and speakers must have a score of excellent or above (excellent, superior, or outstanding). There will be a maximum of 12 drillers in the Youth Drill, 12 drillers in the High School Drill, and 12 Speakers competing at the SBTC State Finals.

For the National Invitational Tournament (NIT), students representing SBTC must have the top score in their category (youth, high school and speakers') at the state finals.

### **Use of Bonus Points in Calculating Scores for Youth and High School Drillers**

The raw scores (no bonus points added) will be used to determine the first-place winner in all three categories. Bonus points will only be used as a tie breaker when needed.

### **Determination of Winner at State Finals in the Event of a Tie**

At the state finals, if there is a tie for first place, and if the addition of bonus points does not resolve that tie, a short tie-breaker drill will be conducted.

### **Advancing Formula for the Youth Bible Drill and High School Bible Drill**

The top-scoring driller from youth and high school in each regional location (Eules, Spring, and Odessa) will automatically advance to the SBTC State Finals.

The remaining nine Bible Drill finalists from each division (youth and high school) will be selected based on the highest scores from all three regional locations and will be notified on Wednesday following the final regional drill. Bonus points will be used in this selection as noted above.

### **Advancing Formula for the Speakers' Tournament**

The top-scoring speaker from each regional location (Eules, Spring, and Odessa) will automatically advance to the SBTC State Finals.

The remaining nine speaker finalists will be selected based on the highest scores from all three regional locations and will be notified on Wednesday following the final regional competition. **All advancing speakers must have a regional score of excellent or above.**

**Youth**  
(grades 7, 8, & 9)

**High School**  
(grades 10, 11, & 12)

## Explanation of ESV, KJV, and CSB Combined Drills

In your church drill, all youth/high school students will probably be using the same Bible translation. However, in most association, regional and state drills, some students will be using ESV, while others will be using KJV or CSB in the same drill. As the leader, your preparation and training of your students will help alleviate confusion and help the drill run smoothly.

If you are writing a drill for more than one translation, write out each verse in each of the three translations. This will allow the conductor to check the accuracy of the answers, regardless of the translation. In the Identifying Verses Drill the same phrase from each of the translations must be read by the caller before the command, “start.”

**Bible Drill content note:** The material to be learned is different for the youth and high school drills. The content for each group may be found in this book. Both groups will be given eight seconds per call.

Speakers’ Tournament note: High school students (grades 10, 11 and 12) may participate in the High School Bible Drill and/or Speakers’ Tournament. They may participate in one or both events the same year. See the SBTC website for further Speakers’ Tournament information.

## Step-by-Step: A Suggested Planning Outline

You will need to provide training for the adults you enlist to assist in your church drill. All enlistment needs to be completed at least one week prior to the training session. This calendar includes a step-by-step outline of things to do to make your church drill positive and successful.

### Beginning Planning

- ➔ Enlist the support of your pastor and church staff. Request a small budget to cover expenses for materials and driller recognition.
- ➔ Secure the dates and locations for the associational and state drills. Set a date for the church drill (at least one week before associational date.) Include all dates on the church calendar.
- ➔ Download copies of this guide at [sbtexas.com/bibledrill](http://sbtexas.com/bibledrill) for each judge and each adult who will be working with drillers.
- ➔ Enlist two or three adults to assist you as a training and preparation team. Provide each adult member of the training team with a copy of this guide.
- ➔ Before you begin training youth, practice by yourself or with another adult who has worked with Bible Drill. Master the rules and commands. Practice giving the commands and calls at home in front of a mirror. Be consistent with the wording of the commands. Become thoroughly familiar with the rules.
- ➔ Learn the proper responses to the commands. Judges will be looking for any behavior which does not comply with drill rules. You must be familiar with the rules in order to caution participants when necessary.
- ➔ Announce the drill and its purpose at a time when all youth will be present.
- ➔ Contact all youth who participated in the children's Bible Drill and encourage them to continue building their Bible skills through the youth drill.
- ➔ Enlist youth.
- ➔ Consider offering a clinic where rules and helpful advice are given to potential drillers.
- ➔ Older youth who participated in past drills could be enlisted to give a demonstration drill.
- ➔ Speech and English teachers at local schools can provide valuable guidance in helping youth to practice speaking clearly and hints for becoming relaxed in front of an audience.
- ➔ Consider calling area churches for the names of youth who have participated in Youth Bible Drill. Invite them to demonstrate a drill to your group. Save time for questions and answers.
- ➔ Set a time and place for drillers to meet weekly. Announce dates of training sessions, church, associational, and state drills and conventionwide demonstrations.

- ➔ Enlist youth to make posters promoting the church drill. Place articles in the church newsletter to generate interest and give support to drillers.
- ➔ Work with youth ministers in the association to schedule ways to feature youth who are preparing for the drill. A practice drill involving two or three churches might help drillers become more relaxed and better prepared for the actual drill.
- ➔ Pray for each youth and adult worker involved.
- ➔ Encourage youth. Take them to adult classes to demonstrate their knowledge and skill. The adults will be impressed and will encourage the youth. Drillers will gain confidence as they drill before an audience. Take advantage of this contact with adults to enlist their help in transporting drillers to the associational drill.
- ➔ Encourage the adult leaders who are working with drillers.
- ➔ Begin weekly meetings. As you lead the weekly group sessions, work on developing skills in this order:
  - Handling the Bible with respect
  - Accuracy in locating books and verses
  - Knowledge of the Bible
  - Speed
- ➔ Provide opportunities for youth to participate in practice drills before different groups. Adult classes are good options. Drillers will benefit from adult support and encouragement.
- ➔ Plan to recognize the efforts of drill participants. A certificate of recognition or a small gift would help them remember the event. Some churches plan a special banquet for recognition. Be sure to recognize all participants, not just the winners.
- ➔ Begin enlistment. See detailed information below.
- ➔ Enlist judges. Details for judging a drill are included in this manual. Each judge will need score sheets (one sheet per twelve drillers)
- ➔ Enlist a timekeeper. The timekeeper will need a stopwatch to accurately call time.
- ➔ Enlist someone to be responsible for the sound system.
- ➔ Enlist ushers. They will assist late-comers in being seated in order to assure that drillers are not disturbed by people moving in or out during a drill. The ushers should seat people only between individual drills.
- ➔ Schedule a room where the judges can go to tally scores.
- ➔ Conduct a training session at least three days before the drill for judges and others who will assist with the church drill. Go over the score sheet, criteria for judging, and specific duties of judges, timekeeper, ushers and all others involved.
- ➔ Practice where the church drill will be held if possible.
- ➔ A sample warm-up drill is online. Use it as a guide to prepare for your church drill.
- ➔ Select the verses you will call for the church drill. Choose five calls and one alternate call for each drill. For the Book Drill and the Scripture-Searching Drill, choose the calls from any part of the Bible. For the other three drills, you must choose calls from the official annual list of cycle verses.

- ➔ Prepare a printed copy of your church's drill calls.
- ➔ In your church drill, all youth will probably be using the same Bible translation. However, in the association and state drills, some drillers will be using the KJV and others will be using one of the other translations. Help your youth prepare for a drill using both translations.
- ➔ Gather items for the drill:
  - Numbered cards for driller IDs
  - Pencils
  - Score sheets
  - Calculators
  - Stopwatch
  - Item of recognition
- ➔ Conduct the church drill. Be available for drillers to get feedback on their scores. Help drillers understand ways they might prepare if they will be going on to another drill.
- ➔ Honor all drillers in some way. Options include a small gift, certificate, or banquet.

## Mistakes

Participant receives no points (regular or bonus) if he or she:

- ➔ Fails to step forward within eight seconds
- ➔ Gives an incorrect response (includes any driller who raises a hand indicating an error)
- ➔ Fails to stand straight or keep his eyes on the drill leader until the command "start" is given
- ➔ Steps forward before the index finger is on the correct response
- ➔ Fails to handle Bible according to instructions or abuses the Bible

## Developing Bible Drill Skills

During the competition drills, judges will be looking for specific skills. Train your students in each area which will be judged.

Mistakes may be recorded for any of these areas.

Participant receives no points (regular or bonus) if he or she...

### 1. Fails to STEP FORWARD Within Eight Seconds

Students are asked to step forward when they have the correct response. They may not step backwards across the line once they step out. If they do not have the correct response before stepping out, they are expected to raise their hand indicating an error.

### 2. Gives an INCORRECT RESPONSE

If the drill leader determines the response is incorrect, a mistake will be recorded. This includes any driller who raises a hand indicating an error. When a driller raises a hand, he/she will remain across the line until the command, "attention," is given.

### **3. Fails to STAND STRAIGHT with EYES on the DRILL LEADER until the Command, “Start” is Given**

Students should not make eye contact with members of the audience or other drillers while they are at attention or after finding the Bible passage. Eyes always return to the drill leader.

Students should not have hands in pockets or behind their backs when at attention.

### **4. Steps Forward Before the INDEX FINGER is on the Correct Response**

The drill leader may ask the drillers to tip their Bible toward the judges after “time” is called so judges may see that the finger is in the correct location. The finger must be firmly planted in one location before the driller steps out.

### **5. Fails to Handle Bible ACCORDING to INSTRUCTIONS or ABUSES the BIBLE**

At the command, “attention,” students should have their Bibles held at their side (either hand), with the spine of the Bible parallel to the floor. At the command, “present Bible,” the Bible should be held waist high, with hands flat on the top and bottom of the Bible (it does not matter if the front cover or the back cover is facing up). The hands should be flat, with fingers together. Fingers may not be over the edges of the Bible during “present Bibles.”

An additional skill to be taught is what to do if the student did not hear or understand the Call. This may happen if there is a noise in the room (cough, etc.) or if the student is hearing impaired. A driller may ask the call to be repeated, (“please repeat”), before the command, “start” is given. Once the command “start” is given, the call will not be repeated.

## Judging the Drill

You will need to provide training tools for the adults you enlist to score your church drill. Conduct a training session at least three days before the drill. Enlist persons interested in working with youth. Avoid enlisting parents of drillers.

Four judges plus a timekeeper are needed. Enlist the judges and timekeeper at least one week prior to the training session. Three judges will score regular points and one judge will score bonus points.

Participants in all drills should be identified by numbers that are visible to the leader and the judges. Refer to the drillers by the numbers they are wearing, not by name.

To assist in judging, limit the number of participants for each drill to 12.

## Responsibilities

### Regular Judges

- ➔ Regular judges mark only mistakes (see below).
- ➔ Place the number of the mistake (one through five) in the corresponding box on the score sheet beside the call number and under the participant number for each driller who makes a mistake. (All others will receive points for the call.) The vertical numbers on the score sheet are the call numbers and the horizontal numbers are participant identification numbers.
- ➔ Score each participant as an individual.
- ➔ If two mistakes in one call are made, deduct points for only one mistake.

### Bonus Judge

- ➔ The judge scoring bonus points will place a check mark in the box under the participant's identifying number on the score sheet for the call in which a bonus point has been earned.
- ➔ On each call, one bonus point is scored by the participant who steps out first.
- ➔ If two or more step out at the same time, each receives a bonus point.

### Timekeeper

- ➔ The timekeeper will call "time" eight seconds after the leader gives the command "start."
- ➔ The timekeeper needs a stopwatch to accurately call time.

## Chairman of the Judges

One of the four judges will have the additional responsibility of serving as chairman and share results and mistakes with participants. Judges should try to give participants the benefit of any doubt.

## Drill Caller

The drill caller is responsible for conducting the drill and checking the accuracy of answers. Be prepared to handle the unexpected. If some distraction occurs when the call is being given causing a youth to make a mistake in responding, instruct the judges to disregard that call and give an alternate call.

- ➔ Youth may give the wrong reference, make a mistake in recitation, obviously have the wrong scripture, become upset or begin to cry.
- ➔ When a driller becomes upset, say: Number \_\_\_\_, we will wait just a minute before giving the next call. If a driller is so upset that it is difficult to continue, say: Number \_\_\_\_, if you would like, you may excuse yourself from the drill. Or if you would like to continue, we will pause for a minute.
- ➔ When the drill is complete, ask the minister of music to lead singing while the judges exit the room to compile their scores. Announce the names of youth who qualify to participate in the associational drill.
- ➔ Announce the date of the associational drill and encourage the congregation to pray for youth as they prepare for it.

## Computing a Final Score

There are three regular judges. Each has the potential to award 100 points per participant; therefore, a participant with a perfect score will have 300 points.

You also have one bonus judge to record the participant who steps out first.

Each participant's score is determined by adding the scores of each of the "regular" judge. The addition of bonus points will ONLY be used in the event of a tie.

See the high school score sheet to see categories of calls in each drill and points awarded for each section:

Section	Number of Calls	Point Value/Call	Total Possible Points
Locating Books Drill	5	3	15
Scripture Searching Drill	5	3	15
Identifying Verses Drill	5	4	20
Doctrinal Drill	5	5	25
Bible Answers Drill	5	5	25
Total			100

## Youth Bible Drill Verses & Cycles

The verses for Youth Bible Drill are grouped in three cycles. Youth who participate in the drill for all three years in which they are eligible will be learning different verses each year.

Verses for the doctrinal drill cycles are selected from the doctrines outlined in The Baptist Faith and Message. Youth are challenged to learn verses foundational to understanding Baptist distinctives.

While selecting verses for the new cycles, attention was given to language that would communicate clearly to youth today. Verses were chosen to help youth as they face the many challenges learning to walk daily with Christ.

# Types of Drills

## Book Drill

### Five Calls – Three Points Per Call

The leader calls the name of any book in the Bible. At the command start, participants begin searching for the book which was called. A participant steps forward after he has located the book and placed his index finger on any verse in that book. When called upon, the driller should be able to name: (1) the book which immediately precedes the book called, (2) the book called and (3) the book which immediately follows the book called.

## Scripture Searching Drill

### Five Calls – Three Points Per Call

The leader announces a scripture reference to be found. Scripture-searching drills are taken from any part of the Bible. A participant must locate the scripture reference and place his index finger on the verse before stepping forward. When called upon, he must read the verse and state the scripture reference.

## Identifying Verses Drill

### Five Calls – Four Points Per Call

The leader quotes part of a verse taken from the official list of verses. It may be any part of a verse. A leader, however, should quote enough of a verse to provide the participants with a reasonable clue. A participant must correctly locate the verse and place his index finger on the verse before he steps forward. When called upon, he must be able to read the entire verse and state the correct scripture reference.

## Doctrinal Verses Drill

### Five Calls – Five Points Per Call

The leader announces a doctrinal statement taken from the official list of doctrinal drill verses. A participant must correctly locate the verse listed with that doctrinal statement and place his index finger on the verse before he steps forward. When called upon, he must be able to: (1) recite the doctrinal statement as listed in the annual supplement, (2) read the verse, and (3) state the scripture reference.

## Bible Answers Drill

### Five Calls – Five Points Per Call

The leader announces a question taken from the official Bible Answers Drill verses. Before he steps forward, a participant must correctly locate the verse listed that answers the question. When time is called, the leader will instruct the drillers to close their Bibles. The driller must be able to: (1) quote the question, (2) recite the correct verse, and (3) state the Scripture reference.

And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

You also have one bonus judge to record the participant who steps out first.

Each participant's score is determined by adding the scores of each of the "regular" judge. The addition of bonus points will ONLY be used in the event of a tie.
