Constitution

Preamble

To preserve and make secure the fundamental principles of our faith, to protect our doctrinal integrity and denominational unity, to ensure that the Convention conducts its business in an orderly and democratic manner under the Lordship of Christ and to set forth the relationship of the Convention with other bodies, we do hereby establish this Constitution and Bylaws.

We do moreover declare that whereas the Bible is the only foundational document for the defining rules of faith and practice that should be inherent in a Bible-based organization, the Constitution and Bylaws exist merely as a written document that provides a foundation and a framework for the application of these rules to the administration of this body. If in any point they are found to be inconsistent with or contrary to the Word of God, they are, in that point, null and void.

Article I. Name

This body shall be known as Southern Baptists of Texas Convention, (the Convention).

Article II. Mission Statement

The Convention exists to facilitate, extend, and enlarge the Great Commission ministries of Southern Baptist churches and associations in Texas and the Southern Baptist Convention, upon the authority of God's inerrant Word, to the glory of God the Father, under the Lordship of Jesus Christ, and by the empowerment of the Holy Spirit.

Article III. Doctrinal Statement

The Baptist Faith and Message, adopted in 2000 by the Southern Baptist Convention, shall be the doctrinal statement for the Convention.

Article IV. Affiliation

Section 1 Affiliation Qualifications

The Convention will only allow a church to affiliate if the church: (a) Affirms the doctrinal statement of the Convention, (b) consents to work within the framework of the Constitution and Bylaws, (c) cooperates with the work of the Convention, (d) affirms the office of pastor to be limited to men, (e) does not act to affirm, approve, or endorse the practice of homosexuality, as evidenced by actions including but not limited to the licensure or ordination of homosexuals, marriage or blessing of homosexual relationships, and endorsing homosexuality as an acceptable lifestyle, and (f) does not engage in or encourage any other practice or conduct deemed to be inconsistent or contrary to the doctrinal statement of the Convention.

Section 2 Method of Churches Becoming Affiliated

- A. Any Baptist church in Texas desiring affiliation with the Convention shall complete an affiliation application affirming that it meets and intends to continue to meet the affiliation qualifications, and shall make an initial contribution to the Cooperative Program through the Convention. The application form and contribution must be received at the Convention office at least ninety days prior to the annual meeting in order to have the messengers seated that year.
- B. All churches having submitted an affiliation form shall be examined by the Credentials Committee as to their qualifications. The Credentials Committee may recommend affiliation status to the Executive Board or the annual session of the Convention. All churches receiving an affirmative majority vote shall be welcomed to affiliation.

Section 3 Representation at Meetings of this Body

- A. Each affiliated church shall be entitled to ten messengers to any meeting of the Convention.
- B. Messengers shall only vote in person.
- C. A messenger's status as a messenger and as a member of the Convention corporation shall exist only during the session of any meeting of the Convention to which the messenger has been appointed by the messenger's church and is seated by the Convention.

Section 4 Termination of Affiliation

Any affiliated church may withdraw from this body at its discretion. An affiliated church may be removed from the Convention by majority vote of the Executive Board or of the messengers at an annual session of the Convention after the following process is completed: (a) The church has received written notice of the matter prompting the Executive Board's consideration of removal and (b) The Credentials Committee has attempted to resolve the matter by meeting with the pastor and/or leaders of the church.

Article V. Relationships

The Convention declares that it fraternally cooperates with and supports the work of the Southern Baptist Convention and its entities. As a demonstration of this cooperation, the Convention promotes giving through the Cooperative Program and serves as a conduit for the distribution of Cooperative Program funds given by cooperating churches.

Article VI. Meetings

The Convention shall meet at least annually at a time and place designated by the messengers. No other notice of the annual meeting shall be required. A special meeting may be called by two-thirds vote of the Executive Board. Notice of a special meeting and its purpose or purposes shall be published by the Executive Board in the official publication of the Convention at least thirty days prior to the meeting or sent to affiliated churches by regular mail and, to the extent possible, by electronic means at least thirty days prior to the meeting.

Article VII. Eligibility for Service

Only one who is a member of a church affiliated with the Convention shall be eligible to serve as an officer or ministry employee, or on the Executive Board or a committee, or in any other capacity called for or permitted by the Constitution or Bylaws.

Article VIII. Parliamentary Authority

The parliamentary authority of the Convention shall be the current edition of Robert's Rules of Order Newly Revised.

Article IX. Amendments

Amendments require a two-thirds vote of the messengers present at two consecutive annual meetings. Any proposed amendments must be either submitted in writing to the Convention one year before being voted on, or recommended by the Executive Board and published in the official publication of the Convention ninety days prior to the annual Convention session.

Article X. Quorum and Voting

The quorum for conducting business during the annual or any special meetings of the Convention shall be twenty-five percent of the registered messengers. The vote of the majority of the registered messengers present shall be the act of the Convention unless the vote of a greater number is required by law, the Certificate of Formation, or the Constitution or Bylaws.

Bylaws

Article I. Officers of the Convention

Section 1 Officer Election and Service

- A. The messenger-elected officers of this Convention shall be a President, a Vice-President and a Secretary.
- B. The officers shall be elected annually by the messengers of the Convention and shall hold their respective offices until the end of the annual session at which their successors are elected. If no nominee for an office receives a majority of the votes of the messengers present a run-off election shall be held between those two nominees receiving the greatest number of votes.
- C. No person may serve in the same elected office of the Convention for more than two consecutive years.
- D. An officer who has served a portion of a term shall be considered to have served a full term.
- E. In the event of the resignation, removal, death or a disability that would hinder the President from fulfilling the responsibilities of the office, the Vice-President shall automatically become President. In the event of a vacancy in a messenger-elected office otherwise, the vacancy may be temporarily filled by the Executive Board with a term of service through the conclusion of the next annual session.

Section 2 Duties of Officers

- A. President
 - 1. The President shall be an ex-officio member with the right to vote on the Executive Board and all Convention committees.
 - 2. The President shall appoint members to serve on the Annual Convention Committees as outlined in Article V, Section 5 of these Bylaws.
 - 3. The President shall appoint members to the Committee on Committees as outlined in Article V, Section 1 of these Bylaws.
 - 4. The President, assisted by the Vice-President, shall preside over the annual session of the Convention.
- B. Vice President
 - 1. The Vice-President may, in the absence of the President, or when requested by the President, preside over the meetings of the Convention and shall perform other duties requested by the President and may act in his stead with the full privileges of his office.
 - 2. The Vice-President shall serve on the Credentials Committee as outlined in Article V, Section 4, Paragraph A of these Bylaws.
- C. Secretary
 - 1. Secretary shall receive copies of motions offered for consideration at the annual session of the Convention.
 - 2. The usual duties of recording the minutes of meetings of the Convention shall be performed by an employee designated by the Executive Director.
 - 3. The Secretary shall serve on the Credentials Committee as outlined in Article V, Section 4, Paragraph A of these Bylaws.

Article II. Executive Director, Chief Financial Officer and Treasurer, and Other Employees

- A. The Executive Director shall be the chief executive of the Convention.
- B. The Executive Director shall be selected and employed by the Executive Board and receive remuneration as determined by the Executive Board.
- C. The Executive Director shall supervise and administer all of the affairs of the Convention and all of its activities and shall represent and carry out the policies of the Convention and its Executive Board.
- D. The Executive Board shall have the responsibility of securing a Chief Financial Officer and Treasurer for the Convention. The Chief Financial Officer and Treasurer will be responsible to the Executive Director and the Executive Board and shall receive remuneration commensurate with the duties and responsibilities assigned to that office by the Executive Director or the Executive Board.
- E. The Executive Board shall have the authority to elect or employ other ministry personnel as deemed necessary.

Article III. Boards, Trustees, and Committees

Section 1 Authority

The messengers shall have the authority (a) to authorize the creation of legal entities to fulfill the Convention's purposes, (b) to create committees and (c) to establish relationships or authorize the Executive Board to establish relationships with other Baptist institutions or ministries, and other Baptist general bodies.

Section 2 Convention Election

Any person the Convention is entitled to elect to manage and direct the affairs of another entity, to carry out relationships, or to be a member of any committee other than the committees or subcommittees of the Executive Board shall be elected by the messengers, unless otherwise provided in the Constitution and Bylaws, or by specific direction of the messengers.

Section 3 Simultaneous and Repetitive Service

- A. No person shall serve simultaneously on the Executive Board, the Committee on Committees, Committee on Nominations, a Standing Committee, a Procedural Committee, the board of an entity under a relationship approved by the Executive Board or the board of a subsidiary corporation unless otherwise provided in the Constitution and Bylaws. Election to a Convention office shall not cause the Convention officer to forfeit his or her position on any of the above.
- B. A member of the Executive Board or any committee who has served a portion of a term shall be considered to have served a full term.

C. No person who has previously served on the Executive Board or any committee shall be eligible to serve on the Executive Board, the Committee on Nominations, a Standing Committee or a Procedural Committee until an interval equal to one-half the number of consecutive years served on the previous body has elapsed.

Section 4 Conflict of Interest

No salaried employee of this Convention shall be eligible for service as a member of the Executive Board or any committee of the Convention except as may be provided in the Constitution and Bylaws. No person shall be eligible to serve to manage and direct the affairs of another entity, to carry out relationships, or to be a member of any committee if that service would create a conflict of interest. When such conditions become applicable, that person shall be considered as having resigned and the vacancy may be filled in accordance with established Convention procedure.

Article IV. Executive Board

Section 1 Membership

- A. The Executive Board shall be composed of forty-four members elected by the messengers plus the President, Vice-President, and Secretary who shall serve ex-officio with the right to vote, and the Executive Director who shall serve ex-officio without the right to vote.
- B. A minimum of one-fourth of the elected members shall be persons whose employment is not church or denominational related. One-fourth of the elected membership shall be made up of individuals who upon their election are members of a church whose membership does not exceed four hundred.
- C. The state will be divided into four geographic areas by a line running east and west from the SE corner of the New Mexico Texas border to the Louisiana border just south of Nacogdoches and a line running north and south from the Oklahoma border just east of Wichita Falls to just east of Corpus Christi. (as shown on exhibits A-1 and A-2) Representation by geographic area shall be based on the elected board member's resident church membership.
- D. Each of the four areas will have no fewer than five representatives among the Executive Board's elected membership.

Section 2 Autonomy

Recognizing the autonomy of other bodies, the Convention will exert no authority over any church, association, or convention. The term "affiliate" is not used in the Convention's governing documents or otherwise as that term is defined in the Texas Business Organizations Code. The use of the term "affiliate" by the Convention in no way intends to suggest that the Convention claims or exercises control over another entity, including, but not limited to, a church, association, or convention, or their officers, directors, employees, ministers or agents. As a matter of polity, this Convention has no right to and shall not exercise any control whatsoever over a church, association, or convention or their officers, employees, ministers or agents. Further, this Convention, as a matter of polity, insists that this Convention is also autonomous, being subject only to the control of its messengers.

Section 3 Indemnification

- A. The corporation shall indemnify directors, officers, employees, and agents of the corporation ("indemnitees") to the fullest extent required by the Texas Business Organizations Code and to the extent such indemnitees are eligible for permissive indemnification under that Code.
- B. Reasonable expenses incurred by an indemnitee who is or is threatened to be made a named defendant or respondent in a proceeding may be paid or reimbursed by the corporation in advance of the final disposition of the proceeding after (a) the corporation receives a written affirmation by the indemnitee of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification under this Article and a written undertaking by or on behalf of the indemnitee to repay the amount paid or reimbursed if it is ultimately determined that he or she has not met those requirements, and (b) a determination that the facts then known to those making the determination would not preclude indemnification under this Article.
- C. The right to indemnification and the advancement and payment of expense conferred in this Article shall not be exclusive of any other right which a director or other individual person indemnified pursuant to this Article may have or hereafter acquire under any law (common or statutory), provision of the Certificate of Formation or these bylaws, agreement, vote of the disinterested directors, or otherwise.

Section 4 Historical

Convention staff shall provide for collection and storage of historical documents and other significant articles to chronicle the formation and on-going operation of this body.

BUSINESS & FINANCIAL PLAN

Organization

The Southern Baptists of Texas Convention (the "Convention") is a Texas non-profit Corporation operating as a religious organization. The Convention serves as an autonomous state convention cooperating with the Southern Baptist Convention. The purpose of the Convention is to assist churches in Texas in effectively proclaiming the gospel of Jesus Christ, starting new churches, and ministering to all people. Support for the Convention is primarily through voluntary contributions from affiliated churches and individual donations.

Preliminary Provisions

Each ministry area of the Convention shall submit to the Executive Director and Chief Financial Officer an itemized estimate of expenditures for the next fiscal year upon request from the Executive Director or Chief Financial Officer. With the Executive Director's approval, the Chief Financial Officer will assemble these figures into a proposed budget and present this budget to the Administrative Committee. The Administrative Committee will make any changes necessary and submit the revised proposed budget to the Executive Board for approval.

The Executive Board shall recommend to the Convention a final proposed budget based on an analysis of the aforementioned data.

The in-state Cooperative Program budget for the next fiscal year may not be increased above the current year, beyond actual in-state Cooperative Program receipts in the prior year.

Reserves may be used to augment the next year's budget for one year, but may not be used in consecutive years.

Fiscal Period

The Convention shall be operated on a calendar year basis.

Disbursement of Monetary Funds

The Executive Director shall be responsible for overseeing the disbursement of all monies in accordance with the provisions of the Convention budget. The Chief Financial Officer shall be responsible, under the direction of the Executive Director, for daily operational disbursement of all monies in accordance with the provisions of the Convention budget. Prior years' earnings may be allocated for expenses by Executive Board consent. Prior years' expenditures must be reported at the Convention's annual meeting. In the event that actual budget expenses exceed actual budget receipts, the Executive Director is authorized to spend reserve funds in the amount necessary in order to meet budget expenses. Any such reserves spending will be reported to the Administrative Committee within 30 days of the end of the month in which the expenses were incurred and will be reported in the next Executive Board meeting.

Disbursement of Cooperative Program and Designated funds will be made after closing of the books each month and in no event shall they be made later than the 15th day of the following month. Giving receipts will be forwarded quarterly within thirty (30) days of the end of each quarter. All undesignated CP funds shall be allocated according to the CP budget percentage through the fiscal year.

Each church is an autonomous body and has the right, as do individuals, to make designated gifts as desired, subject to acceptance by the Convention. The Convention shall administer all accepted designated gifts as trust funds to be held for the purpose for which they were given. All such designated gifts shall be recorded in the Convention books and forwarded forthwith to the designated entity. The Convention shall have the right not to accept any gift including any gift designated to an entity that is not related to the Convention as provided in the Policy for Ministry Relationships.

In the event that Cooperative Program receipts are less than the budget, distribution of funds, other than those operationally mandated shall be on a needs basis at the discretion of the Executive Director.

Members of SBTC Executive Board, Officers, Committee members and other non-SBTC employees who serve on a volunteer basis shall not be compensated for their services. However, when these roles require travel in association with their responsibilities, these individuals may be reimbursed for actual travel expenses as provided in the budget. Under such circumstance the individual is required to submit an itemized account of such expenses, with appropriate receipts, to the Chief Financial Officer.

Special Solicitations

The Convention shall not allocate Cooperative Program funds to any Texas entity which directly solicits SBTC affiliated churches in any fund raising programs without receiving permission from the Executive Board by a two thirds (2/3) majority vote.

Capital Investments and Liabilities

Investments in any company that is publicly recognized as being in the liquor, tobacco, gambling, pornography or abortion industries or any company whose products, services or activities are publicly recognized as being incompatible with the moral and ethical posture of the Convention are prohibited. The Chief Financial Officer, with the approval of the Administrative Committee, shall determine the investment placement of all SBTC funds.

Emergency Reserves

The Convention shall hold reserve funds for contingencies to provide for deficits that may occur either through decreased receipts or due to emergencies. The goal shall be a reserve representing six (6) months operations, based upon the in-state budget.

Financial Reports

The Convention shall close its books and accounts and have them audited by a Certified Public Accountant as of the close of its fiscal year. Copies of the audit report are to be delivered to the Executive Director, CFO and Executive Board. The audit should include, but shall not be limited to, the following:

- 1) Independent Auditors' Report
- 2) Statement of Financial Position
- 3) Statement of Activities
- 4) Statement of Cash Flows
- 5) Notes to the Financial Statements

A Financial Report consisting of the Statement of Financial Position and Statement of Activities for the Convention's prior year shall be included in each Annual and Book of Reports.

Handling of Funds

All persons who handle funds or securities for the Convention shall be adequately bonded. Discretion shall be exercised in the handling of all securities, deeds, notes and other valuable records and legal documents. There must always be express authority from the proper source for such handling.

Personnel

The Executive Director shall recommend for approval by the Executive Board all Full-Time Senior Ministry Staff and shall recommend for approval by the Executive Committee all Full-Time Associate Ministry Staff, as is necessary to carry out the SBTC's purpose and mission. All Ministry Staff employees shall be members of SBTC affiliated churches. Full-Time Ministry Staff may be terminated by the Executive Director, with approval of the Executive Committee. Ministry Facilitators, Secretarial and support staff may be hired and dismissed at the Executive Director's discretion.

The salary structure for each Convention employee will be determined by the Administrative Committee. The Administrative Committee shall submit the proposed budget, which will include the salary for each SBTC employee, to the Executive Board. Employees may receive less than the budgeted amount at the discretion of the Executive Director. The budget of each ministry area submitted to the Convention will reflect the total amount of personnel expense for each ministry area. Otherwise, individual salaries are to be held confidential.

Additional Agencies and Institutions

No new agency or institution shall be authorized by this Convention except after thorough study by the Executive Board and two-thirds (2/3) favorable vote by the Convention messengers. Any agency or institution authorized by the Convention may not enter into any fund-raising programs without two-thirds (2/3) affirmative vote of the Executive Board. No more than 15% of the in-state operational budget may be specified items for institutional support.

Business Procedure

The Convention, as a normal operating policy, shall refrain from entering any business transaction with a trustee or employee or a business enterprise in which a trustee or employee has an interest. An exception to this policy may be made at the discretion of the Executive Committee in any case wherein it appears that a commodity or service is unavailable on a more favorable basis from any other source or is found to be in the best interest of the Convention. Competitive bids should be taken if practicable. In any case being considered for exception, the extent of the employee's interest shall be disclosed to the Executive Committee.

The Convention shall make no loan to a member of the Executive Board.

Professional Services

The Executive Board at its discretion may employ an engineer or architect to study proposed capital projects or maintenance of present capital assets and may employ attorneys, accountants, parliamentarians, and consultants whose expertise is deemed to be required.

Amendments

This Business and Financial Plan may be altered by two-thirds (2/3) vote of the Executive Board.

POLICY FOR MINISTRY RELATIONSHIPS

Biblical Rationale

Various times in the New Testament churches cooperated with one another to accomplish a common goal, (2 Corinthians 8, 9; Philippians 4; 3 John). While no formal association of churches existed, such as state conventions, the principle of cooperation and mutual assistance is found throughout scripture (Ecclesiastes 4, Luke 9).

The Southern Baptists of Texas Convention ("The Convention" or "The SBTC") is committed to carrying out the Great Commission tasks of evangelism and discipleship (Matthew 28:19-20). The Convention may at times consider ministry relationships with institutions or organizations that can assist in accomplishing these divine mandates.

Theological Rationale

The Convention holds a core value of theological agreement. Recognizing the church as autonomous, the Convention claims autonomy as well. The SBTC has chosen to set theological parameters for affiliation among the churches. Therefore the SBTC would enter into a ministry relationship with those institutions or organizations that meet those parameters.

Missiological Rationale

The SBTC desires to work with Great Commission entities. Without creating needless bureaucracy, the SBTC seeks to provide mission and ministry tools for the affiliated churches. In order to do so, the SBTC is willing to enter ministry relationships.

Foremost for the SBTC is evangelism and missions that result in new church starts. Other missions and ministry efforts must fit within the context of the Great Commission. Priority in funding will be directed to missions and evangelism. New church starts will continue to receive the largest emphasis.

Practical Aspects

Coordination of mission/evangelism and ministry activities is being done with a limited staff, paid consultants and volunteers. There is no desire on the part of the SBTC to form new organizations or duplicate ministries that are already in existence and are willing to enter into a ministry relationship.

Related entities under this policy may be eligible to receive funding from the Convention. Any funding shall be administered according to the Business and Financial Plan. Pursuant to the Convention's bylaws, the Executive Board may enter into, modify, and terminate an affiliation with any entity. Any funding allocation from a budget line item exclusively named and used for support of an entity related under this policy shall be recommended by the Executive Board to the Convention and established by the messengers. However, pursuant to the Convention's bylaws, the Executive Board may eliminate allocations determined by the messengers for the entity at any time.

Spiritual Understanding

The work undertaken in these ministries is the work of God for the benefit of His Kingdom. Each relationship shall be entered into with the understanding that no legal contract, partnership, joint venture, or agency is being created. No ministry relationship shall be undertaken with an entity which does not hold an exemption under Section 501(c) (3) of the Internal Revenue Code.

- 1. Each ministry relationship is founded upon a voluntary understanding between the SBTC and another entity to cooperate together in the task of missions and ministry.
- 2. The SBTC and the other entity shall each remain independent and autonomous organizations.
- 3. Neither the SBTC nor the other entity will seek to abridge or control the other.
- 4. Each will select, employ, retain, and supervise its employees, volunteers, members, officers, directors and agents without any participation by the other in those matters.
- 5. Each shall remain free to enter into other similar relationships with other institutions or organizations.
- 6. Each is expected to comply with all applicable state and federal laws, rules, and regulations.
- 7. Either may terminate the relationship at any time without cause and without the necessity of any prior notice to the other.

Method for entering into a Ministry Relationship:

- 1. Any entity desiring a Ministry Relationship with the SBTC will petition the Ministry Relationships Department of the SBTC, indicating a desire for such relationship.
- 2. The Ministry Relationships Department, in consultation with the Executive Director, will advise the Ministry Relationships Committee of all requests, make a recommendation as to whether to approve or decline each request, and, if appropriate, recommend the type of relationship to be considered. The Ministry Relationships Committee will determine the appropriate response to each request.
- 3. Prior to recommending the approval of a requested relationship, the Ministry Relationships Department will provide each entity a copy of this Policy on Ministry Relationships and will confirm that the entity wishes to proceed pursuant to the policy.
- 4. All relationships approved by the Ministry Relationships Committee will be presented by the committee to the SBTC's Executive Board for approval.
- 5. Relationships approved by the Executive Board will be confirmed by the signing of a letter by both parties. The letter will contain a statement confirming that the relationship is being undertaken under this policy and will reference a review period for each relationship. WHEREAS, The Baptist Faith and Message 2000 Article XVI affirms the duty of Christians to seek peace with all men on principles of righteousness; and

WHEREAS, Christians should do all in their power to put an end to war; and

WHEREAS, The Baptist Faith and Message 2000 also states that "Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches" (Article XIV); and

WHEREAS, Baptists have historically sought cooperation with one another for kingdom purposes; and

WHEREAS, for 25 years, cooperative efforts of the churches of The Southern Baptists of Texas Convention have benefited kingdom efforts in Texas, North America, and the world resulting in a greater impact for the Great Commission than any church alone; and

RESOLVED, that the churches of the Southern Baptists of Texas Convention reaffirm our commitment to gospel cooperation and acknowledge that far more unites us than divides us, recognizing that the pursuit of the Great Commission is the highest and most worthy calling in the world.

CHURCH HEALTH and LEADERSHIP

The Church Health and Leadership Team works to strengthen SBTC churches and church leadership in all areas of ministry. SBTC staff and valued practitioners in their field engage and equip church staff and lay leaders directly through personal relationships, training seminars, workshops, clinics, conferences, webinars, networking, resourcing, retreats, consultations, and more. We provide training for search committees and assistance with pulpit supply and other interim needs, including help finding interim pastors. We are available to assist churches when conflict mediation or counseling referrals are needed. We provide church grant assistance and emergency relief. We walk churches through a systematic approach for church revitalization. We exist to strengthen the churches and their leaders as they work toward Great Commission advance in the Lone Star State.

COOPERATIVE MINISTRIES

The Cooperative Ministries department works with compatible institutions, fellowships and organizations to provide strengthening resources to our convention's affiliated churches. Our relationship with educational institutions addresses the need for leadership training and preparation for church leaders. Every major ministry of our convention is magnified by the relationships we have built with sister ministries. Focus is being given to Cooperative Program promotion, associations, prayer ministry, young pastors, African-American and Asian leadership, and development.

DIGITAL MINISTRIES and COMMUNICATIONS

Digital Ministries and Communications supports all aspects of our convention's ministry by sharing the good news of successful ministries and the ministry challenges faced across our state. Our ministry encourages affiliated churches as they partner together in the Great Commission. As Texas Southern Baptists see the needs and successes in our worldwide mission, we are able to participate and pray in a more strategic way. We employ a variety of information technology—print, web, and social media—to provide timely information aimed at unifying our convention around our mission. We are committed to encouraging churchers by reporting the work of the convention, equipping churches with audio/visual tech support, and supporting our churches with online training and resources.
