

Sanctity of Life

SUNDAY

TEXAS  ETHICS
& RELIGIOUS LIBERTY COMMITTEE

The Southern Baptists of Texas Convention has always advocated in favor of laws that protect the sanctity of human life from conception to natural death. All human life, born and unborn, deserves equal dignity and rights; whether young, old, ill, disabled, or mentally/physically impaired, each life deserves full protection and honor as a human being.

All human life is made in the image of God for His glory. (Genesis 1:27)

Today, pause and pray for all human life to be valued and protected in our state, nation, and the world.

Sanctity of Life

Pray that our state and local governments will value and protect all human life from conception to natural death.
